OFFICE MEMORANDUM

Subject:- Alignment of PSUs of Ministry of Petroleum & Natural Gas to RTI Online Portal.

The undersigned is directed to say that a web portal namely, RTI online with url <https://rtionline.gov.in> has been launched in all Ministries and Departments of Government of India w.e.f. 21st August, 2013. This portal, developed by NIC, is a facility for the Indian Citizens to file online RTI applications and first appeals and also to make online payment of RTI fees.

2. The facility of RTI web portal for online filing of RTI is now being extended to Public Sector Undertakings of Central Government also. In this connection, Dr. S.K. Sarkar, the then Secretary (Personnel) had written to the Secretary, Ministry of Petroleum & Natural Gas, saying that the PSUs under M/o Petroleum & Natural Gas like ONGC, GAIL, IOC and HPCL were proposed to be aligned with RTI online portal of DOPT. The co-operation of concerned officers of these Organisations for the implementation of this facility in their respective organizations was also sought.

3. However, so far only HPCL has been aligned to the RTI online. The remaining PSUs i.e., GAIL, IOC, ONGC and BPCL are yet to be aligned to the portal. It may be appreciated that before alignment, adequate training is required to be imparted to the concerned Nodal Officer (RTI) and CPIOs of these PSUs. The training would be provided by the team of NIC and DOPT.

4. It is requested that the concerned officers of GAIL, IOC, ONGC and BPCL may be directed to extend full cooperation for the implementation of RTI online facility in their respective organizations.

5. This issues with the approval of Secretary (Personnel).
