	(e) In case any other document is submitted by Bidder in support of execution for Commercial experience criteria, the same shall be subject to acceptance by the Owner or its representative. (f) In case, the executed value of job is more than work order value and the Bidder claims that it is meeting the BQC requirement on the basis of executed value, then it is the responsibility of the Bidder to submit the documentary evidence of final executed value (such as copy of final bill, executed value mentioned in completion certificate etc.) along with its Bid. (g) In case executed value is not mentioned in the completion certificate, work order value with amendments, if any, shall be considered towards BQC requirements. Where the executed value is not mentioned in the completion certificate, the copy of certified bill shall also be acceptable for determining the executed value if submitted along with completion certificate. (h) Executed value mentioned in the completion certificate should be exclusive of Service Tax/ GST. In case the value of job submitted by the Bidder does not have clarity with regard to inclusion/ exclusion of Service Tax/GST, the amount appearing in the certificate shall be considered exclusive of Service Tax/GST and shall be evaluated accordingly. (i) In case of Bidder's experience in composite works, in the event the qualifying requirement cannot be ascertained from the work order/ completion certificate submitted by Bidder, Copy of Schedule of Rates (SOR), relevant pages of Contracts, copy of relevant pages of final bill certified by owner for establishing requirement of BQC or written letter from their owner specifying the nature of work with quantities and executed values can be submitted for qualification. (j) If the Bidder cites any reference of a job executed for Owner or executed for some client through Consultant and the Bidder is not able to furnish documentary evidence, the internal records of Owner or Consultant (as the case may be) shall be considered. (k) A job completed by a Bidder as a sub-contractor shall be considered for the purpose of meeting the Technical Criteria and Commercial Criteria under this NIT subject to submission of following documents in support of meeting the "Bidder Qualification Criteria": 1.
