

(GLOBAL INVITATION FOR EXPRESSION OF INTEREST)

Numaligarh Refinery Limited
(A Government of India Enterprise)

**Invites
Expression of Interest (Eoi)**

**From
Any Indian/Global Company/their Consortium/Affiliates/Representatives**

**For
Detail Engineering, Supply, Installation and Commissioning of
Electrolyser module/s along with all auxiliaries for production of Green
Hydrogen, of capacity 3 KTPA (375 Kg/hr.), for mixing with refinery H2
network, at Numaligarh Assam in India**

1. Invitation letter

Ref: EoI No. NRL/TS/GH/EoI/2021/01

Date: 30.10.2021

Sub: Expression of Interest for Detail Engineering, Supply, Installation and Commissioning of Electrolyser module/s along with all auxiliaries, for production of Green Hydrogen, of capacity 3 KTPA, for mixing with refinery H₂ network, at Numaligarh Assam in India.

Numaligarh Refinery Limited (NRL) is a 3 MMTPA (62000 barrel/day) Refinery in located in Assam, intend to produce green hydrogen to meet the GHCO (Green Hydrogen Consumption Obligation), as per the govt. of India mandate to be issued in near future. In this regard, NRL invites Expression of Interest (EoI) from any Indian/Global Company/ their Consortium/ Affiliates/ joint venture (herein after called APPLICANT) for setting up a green H₂ plant within/nearby the existing refinery. The participation in EoI may also be done through consortium comprising maximum three members (one leader and other two members).

APPLICANTs may download the documents of EoI free of cost from <https://eprocure.gov.nic.in> and shall submit response to the EOI, completed in all respect along with all documents on the same (CPP) portal, on or before the last date of submission.

SN	Critical Dates	Date & Time
1	Publishing Date	01.11.2021
2	EOI Submission End Date (Revised)	10.12.2021 at 11:00 hrs
3	EOI Opening Date (Revised)	11.12.2021 at 11:00 hrs

NRL reserves the right to select the technology, capacity of green hydrogen production & its implementation in future, through a Request for Proposal (RfP) process amongst the shortlisted parties identified through this EoI Process or through a separate tender.

EOI can be considered as initial step for selection of technology/bidder for implementation of the project of green hydrogen plant at Numaligarh, in Assam.
