3. Price preference for MSE Bidder:

- i) In tender, participating Micro and Small Enterprises quoting price within price band of L1+15% per cent shall also be allowed to supply a portion of requirement by bringing down the price to L1 price in a situation where L1 price is from someone other than a Micro and Small Enterprise and such Micro and Small Enterprise shall be allowed to supply up to 25 percent of total tendered value.

In case of more than one such Micro and Small Enterprise, the supply shall be shared proportionately (to tendered quantity)

- ii) In case of tender item is non-splittable or non-dividable, etc. MSE quoting price within price band L1+15% may be awarded for full/complete supply of total tendered value to MSE, considering spirit of policy for enhancing the Government procurement from MSE, provided they agree to bring down their price to L1 price.

- The quoted prices by bidders against various items of tender shall remain valid in case of splitting of quantities to MSE bidder.
- Out of this 25% allocation for MSEs, 4% shall be to MSEs owned by SC/ ST entrepreneurs. However, in event of failure of MSEs owned by SC/ ST entrepreneurs to participate in the bidding process or meet the tender requirements and L1 price, 4% will be met from other MSEs.

- While granting purchase preference as above, procurement of goods may include certain small work, or some services, which are incidental or consequential to supply of such goods such as transportation, insurance, installation, commissioning, training & maintenance.

Clarification:

- *In case where quantity against a line item cannot be split (i.e., minimum 25% to MSEs) or items with single quantity or in grouped item, the complete line item/ group shall be awarded on MSE bidder within the price range of L1 bidder's evaluated price + 15% subject to their matching L1 bidder's price.*
- *In case, quantity(ies) against an item/ group cannot be split among MSEs, first opportunity shall be given to*
 - *MSEs owned by Women*
 - *then to MSEs owned by SC/ ST entrepreneurs, and*
 - *lastly to other MSEs, within the price range of L1 non-MSE bidder's evaluated price + 15%.*
- *In cases where MSE bidder in order of preference indicated above refuses to accept the L1 price, opportunity shall be provided to the other bidders in order of preference and so on.*

v) For Services only:

- vi) In case purchase preference is applicable, but negotiation is to be conducted with L1 bidder, negotiation shall be carried out. Price range within 15% shall be considered for MSE bidders based on the original prices of L1 bidder not on the negotiated prices. However, MSE bidder shall be offered to match the negotiated prices (even if, post negotiation, they are higher by more than 15% as compared to L1 bidder provided they were within 15% of L1 bidder as per original quoted prices).

In above tenders, Class-I local supplier shall only be eligible for purchase preference as per clause 5.0 below.

5. Purchase Preference- Linked with Local Content (LC)

The manufacturers/ service providers having the capability of meeting/ exceeding the local content targets shall be eligible for purchase preference under the policy, i.e., LC manufacturers/ LC service providers respectively as described below:

5.1 In procurement of all items/ services/ works which are divisible in nature, the Class I local supplier shall get purchase preference over 'Class II local supplier' as well as 'Non Local Supplier' as per following procedure:

- i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class I local supplier', the contract for full quantity will be awarded to L1.
- ii. If L1 bid is not a 'Class-I local supplier', the bidders shall be ranked in the ascending order of evaluated prices and the lowest bidder among the 'Class-I local supplier' will be invited to match the lowest bidder's evaluated price for the 50% quantity against the respective item(s) of MR subject to the Class-I local supplier's quoted prices falling within the margin of purchase preference, and contract for that quantity shall be awarded to such 'Class-I local supplier' subject to matching the lowest bidder's evaluated price. In case such lowest eligible Class-I local supplier fails to match the lowest bidder's evaluated price or accepts less than the offered quantity, the next higher Class-I local supplier with the margin of purchase preference shall be invited to match the L1 price for remaining quantity against the respective item(s) of MR and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on Class-I local suppliers, then such balance quantity may also be ordered on the L1 bidder.

If 50% quantity of an item works out to a fraction of quantity, the bidder shall be considered for next higher quantity. In case the quantity cannot be split, the order shall be placed with the entire quantity.

In case none of the Class-I local suppliers agree to match the lowest price, the natural lowest bidder will be awarded the job.

5.2 In the procurement of all items which are not divisible in nature, and in procurement of services

where the bid is evaluated on price alone, the 'Class-I local supplier' shall get purchase preference over 'Class-II local supplier' as well as 'Non-local supplier', as per following procedure:

- i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract will be awarded to L1.
- ii. If L1 is not 'Class-I local supplier', bidders shall be ranked in the ascending order of evaluated prices and the lowest bidder among the 'Class-I local supplier' will be invited to match the lowest bidder's evaluated price subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such 'Class-I local supplier' subject to matching the lowest bidder's evaluated price.
- iii. In case such lowest eligible 'Class-I local supplier' fails to match the L1 price, the 'Class-I local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the lowest bidder's evaluated price and so on and contract shall be awarded accordingly. In case none of the 'Class-I local supplier' within the margin of purchase preference matches the lowest bidder's evaluated price, the contract may be awarded to the L1 bidder.

5.3 The option in case of MSE bidders qualifying under both Policies for purchase preference, namely, Purchase Preference under the Public Procurement Policy - 2012 (PPP-2012) for MSE bidders and Purchase Preference Linked with Local Content (PP-LC) shall be exercised as under:

- i. The MSE bidder can avail only one out of the two applicable purchase preference policies, i.e., PP-LC or PPP-2012 and therefore, bidder will be required to furnish the option under which he desires to avail purchase preference. This option must be declared in the original offer and no change in the option shall be allowed. In case bidder fails to indicate his option in the original bid although he is eligible for both the Policies, NRL/Consultant shall evaluate his offer considering PPP-2012 as the default chosen option.

In case, a MSE bidder opts for preference under PPP-2012, he shall not be eligible to claim benefit under PP-LC (irrespective of the fact whether he furnishes the details of LC in his offer and this LC meets the stipulated LC criteria as Class-I local supplier).

- ii. In case a MSE bidder opts for purchase preference based on PP-LC, he shall not be entitled to claim benefit of purchase preference benefit as applicable for MSE bidders under PPP-2012. However, the exemptions from furnishing Bidding Document fee ,Bid security and relaxation in Bid Qualification Criteria, if any, mentioned in the bidding document shall continue to be available to such a bidder.
- A. Bidder's quoted prices against various items of enquiry shall remain valid even in case of splitting of quantities of the items as described above, except in case of items where the quantity cannot be split since these are to be awarded in a Lot or as a package or Group.
- B. While evaluating the bids, for price matching opportunities and distribution of quantities among bidders, the order of precedence shall be as under:
 - MSE bidder (PPP-2012)
 - Class-I Local Supplier (PP-LC)

Examples of Purchase Preference:

Non divisible item

L1 bidder is non MSE or other than class-I local supplier

L2 bidder is Class-I local supplier (within 20%)

L3 bidder is MSE bidder (within 15%)

MSE bidder shall be given preference to match the L1 evaluated price. If L3 bidder matches the L1 evaluated price, order shall be placed on him, otherwise, option for matching the L1 price shall be given to L2 bidder (Class-I local supplier).

Divisible item

L1 bidder is non MSE or other than class-I local supplier

L2 bidder is Class-I local supplier (within 20%)

L3 bidder is MSE bidder (within 15%)

MSE bidder shall be given preference to match the L1 evaluated price. If bidder matches the L1 price, order shall be placed on him for the quantity specified in the bidding document (i.e., 25% of the quantities against the item(s) of MR). For the balance quantity (i.e. 50% of tendered quantity / value) option for matching the L1 evaluated price shall be given to L2 bidder (Class-I local supplier). Balance quantity (i.e., 25% of the quantities against the item(s) of MR) shall be awarded to natural lowest bidder.

In above case, if there will be 2 or more MSE bidder within 15%, then 25% quantity shall be distributed proportionately / equally among the MSEs who have agreed to match the L1 prices.

- C. In case lowest bidder is a MSE bidder, the entire work shall be awarded to him without resorting to purchase preference to bidders complying with Local Content.
- D. In case lowest bidder is a Class-I local supplier, purchase preference shall be resorted to MSE bidder as per provisions specified in the enquiry document w.r.t. PPP-2012 only.
- 5.4 In case purchase preference is applicable, but negotiation is to be conducted with L1 bidder, negotiation shall be carried out. MSE and/or Class-I local supplier shall be offered to match the negotiated prices (even if, post negotiation, they are higher by more than 20% (for Class-I local supplier)/ 15% (for MSEs) as compared to L1 bidder provided they were within 20% (for Class-I local supplier)/ 15% (for MSEs) of L1 bidder as per original quoted prices) and left out quantity, if any, as per provisions of enquiry document shall be awarded to that bidder.
