

NUMALIGARH REFINERY LIMITED

CLARIFICATIONS-1 TO PRE-BID QUERIES RAISED BY BIDDERS DURING PRE-BID MEETING

Name : SUPPLY OF FIRE TENDERS AT NRL.

Tender no. : OC06000019/PRA

Pre-Bid Queries raised by Bidders during the pre-bid meeting held on 30.01.2017 and NRL's reply in this regard are as below:

Pre-Bid Queries	NRL's reply to Pre-bid Query
1. In clause no. 03 of ATC, it is mentioned as – "Please confirm that you have quoted price of High Rise Platform " instead of "Fire Tender". 2. Payment Term of the Tender: Prospective bidders have requested for amendment of payment term as below: - At the time of delivery of the chassis at vendor's works by the chassis manufacturer, 20% of total order value will be released to the vendor against submission of chassis invoice procured in the name of NRL and on receipt of inspection and clearance by the Third Party Inspection agency (TPIA) and on submission of Advance Bank Guarantee (as per NRL's standard format) for equivalent amount, valid till contractual completion period (till commissioning) plus 03 (three) months claim period. - 80% order value along with 100% taxes & duties will be released after delivery and successful commissioning of fire tenders at NRL Site. 3. Pre-Qualification Criteria (PQC): Prospective bidder have requested for clarity on the requirement of end user certificate requirement in PQC clause no. 3.2, 2nd point of NIT.	→ It is typographical mistake. Please read 'Fire Tenders' instead of 'High Rise Platform'. → NRL will look into it. In case of any amendment to payment term, Corrigendum to NIT will be issued in e-tender portal. → NRL intimated that, PQC clause no. 3.2 , 2nd point to be read as below: - Bidder will produce End User Certificate on satisfactory performance of Water Tower/Boom Water Tower of the offered make having minimum height 10-16 meters installed at firefighting vehicle. End user certificate shall clearly specify the make, model & height of the water tower.
