Business Rule for forward Auction for Sale of Sulphur

NRL shall finalize the sale of SULPHUR as per this Tender through forward auction mode. NRL has made arrangement with M/s. Synise Technologies Ltd, Pune, (STL) who is NRL's authorized service provider for the same. Please go through the guidelines given below and submit your acceptance of the same:

1. **Eligibility:**

- a. Only end users producing products using Sulphur in their plant/Units shall participate in e-auction. For participation in the e-auction, the prospective bidders shall register themselves with the Auctioneer's website.
- b. This e-auction is not applicable for trading & screening purpose.
- c. There is no cut-off date for the units established for participation in the e-auction. However, the unit must comply all the statutory requirements at the time of registration.

d. Those buyers/bidders who have not registered their name(s) and not deposited EMD cannot participate in e-auction.

e. The buyers will be responsible for ensuring to keep the registration valid, and for the purpose, the buyers will keep all the documents mentioned above valid throughout the period right from bidding up to completion of lifting. In the event of expiry of any of these documents, the registration will automatically become dormant and during the period of dormancy, the buyer will not be allowed to participate in bidding and release of **Sulphur** will be kept suspended. Such suspension of release of SULPHUR will be treated as a failure on the part of consumer / bidder and the proportionate EMD equivalent to the failed quantity shall be forfeited. The registration will however be restored and thereafter participation in the bidding will be allowed after submission of the valid document(s) / extension of the validity of the document(s) and SULPHUR releases/lifting will be allowed.

2. Computerized Forward auction shall be conducted by M/s STL, on pre-specified date, while the vendors shall be quoting from their own offices/ place of their choice. Internet connectivity and other paraphernalia requirements shall have to be ensured by vendors themselves. In the event of failure of their inter connectivity due to any reason whatsoever it may be, it is the bidders' responsibility. It is to be noted that neither NRL nor STL shall be responsible for these unforeseen circumstances. In order to ward-off such contingent situation, bidders are requested to make all the necessary arrangements / alternatives whatever required so that they are able to circumvent such situation and still be able to participate in the forward auction successfully. However, the vendors are requested to not to wait till the last moment to quote their bids to avoid any such complex situations.
3. Please note that the start price for sale of SULPHUR in the online forward auction shall be displayed during the auction and shall be open to all the participating bidders. Bidders can start bidding on or above the start price, in the online forward auction. The subsequent bids that comes in to outbid the H1 rate will have to be higher than the H1 rate by minimum one increment value **if the total auctioned quantity exceeds the total bid quantity among all the bidders.**
4. STL shall arrange to train your nominated person(s), without any cost to you. They shall also explain you, all the Rules related to the Forward Auction/ Business Rules Document to be adopted along with bid manual. You are required to give your compliance on it before start of bid process.
5. **BIDDING CURRENCY AND UNIT OF MEASUREMENT:** Bidding will be conducted in Indian Rupees (INR) and unit of measurement as MT.
6. **Bid Increment:** The minimum Bid increment shall be Rs 10.00 or its multiple.
7. **BID PRICE:** The Bidder has to quote the **Basic Price** (Per MT) **excluding** taxes and duties as applicable.
8. **VALIDITY OF BIDS:** The Bid price shall be considered as firm for a period of 90 (ninety) days and shall not be subjected to any change whatsoever.

9. **Procedure of Forward Auctioning**

i) Online English Forward Auction:

The start price for sale of SULPHUR in the online forward auction shall be displayed during the auction and shall be open to all the participating bidders. Bidders can start bidding on or above the start price, in the online forward auction. The subsequent bids that comes in to outbid the H1 rate will have to be higher than the H1 rate by minimum one increment value **if the total auctioned quantity exceeds the total bid quantity among all the bidders.**

The minimum bid increment amount shall be Rs 10.00 or its multiple.

English Forward (no ties) shall be conducted between **10:30 AM to 12:30 PM on 19.02.2016**. If a bidder places a Bid in the last 5 minutes of Closing of the Auction, the auction shall get extended automatically for another 5 minutes for all the items.

In case, there is no Bid in the last 5 minutes of closing of Auction, the Auction shall get closed automatically without any extension.

Auto Bid:

The Auto Bid feature allows Bidders to place an automated bid against other Bidders in an auction and bid without having to enter a new amount each time a competing Bidder submits a new offer.

Bidders are supposed to quote their best highest price in confirmation to the increment value and in multiples of increment value only. Please note that the auto bid value can be entered only once for a particular item in a particular event. The bidders can at no point of time, during the course of the auction, revise/delete their auto bid values. The bidders have the facility to revise their auto bid value prior to the start of the event.

This feature can be used only once during a particular Forward Auction and only after the H1 rate is equal to or higher than the maximum bid amount that the bidder has put in the system will he get the option to manually bid for the same. In no case during the bidding till the H1 rate or higher is not reached as equivalent to the maximum bid amount offered by the bidder, will the bidder get the option to manually bid for the same.

The situation wherein manual bidder quote the same price quoted by other bidder who has opted for the auto bid feature (although auto bid price is neither visible to any of the other bidders nor NRL nor STL), manual bidder would get a precedence over the auto- bidder. In no case auto bid can be stopped or cancelled.

In case all the participants opt for auto bid, the bidder who has entered the value first (With respect to the time) will get the precedence in that order.

10. Successful vendor shall be required to submit the final prices, quoted during the English Forward auction exactly as issued by NRL/Service provider after the completion of Auction to NRL, duly signed and stamped as token of acceptance without any new condition other than those already agreed to before start of auction.
11. During English Forward auction, if no bid is received within the specified time, NRL, at its discretion, may decide to revise Opening price / scrap the forward auction process.
12. Your bid will be taken as an offer to purchase. Bids once made by you, cannot be cancelled / withdrawn and you shall be bound to purchase as mentioned above at your final bid price. Should you back out and not purchase as per the rates quoted, NRL and/or STL shall take action as appropriate, including forfeiture of EMD and other amounts deposited.
13. At the end of the Forward Auction, NRL will decide upon the winner(s). NRL's decision on award of Contract shall be final and binding on all the Bidders.
14. NRL shall be at liberty to cancel the forward auction process at any time, before due date, without assigning any reason.

15. NRL shall not have any liability to bidders for any interruption or delay in access to the site irrespective of the cause.
16. Other terms and conditions shall be as per tender document.
17. You are required to submit your acceptance of the terms / conditions / modality given above before participating in the forward auction.
