1.0 Introduction

Numaligarh Refinery Limited (NRL) is part of Oil India Ltd, Govt. of Assam and Engineers India Ltd. Its Refinery is located at Numaligarh, District Golaghat, Assam with a capacity of 3 MMTPA. NRL got CCEA approval in Jan, 2019 for expansion of existing Refinery to 9MMTPA capacity for processing imported crude to be received at Paradip Port and bring it to Numaligarh through about 1400KM pipeline. It has two marketing terminals for product evacuation - one is adjacent to the Refinery i.e. Numaligarh Refinery Marketing Terminal (NRMT) and the other is Siliguri Marketing Terminal (SMT) in West Bengal.

The Refinery is well connected by air, road and rail. The nearest airport –Jorhat is 70 kms away from Refinery Site. Road distance from Guwahati to Numaligarh is about 250 kms through NH-37 towards east. The nearest rail head is at Furkating Rly Jn., 35 kms from Refinery. Refer below shown Google map for easy location.

2.0 Brief Scope of Work

The job consists of Civil, Structural and Under Ground Piping Works to be done for **PFCC Unit** at Numaligarh Refinery Limited (NRL), Assam as provided in Price Schedule, Scope of Works and Technical Specifications attached in the Tender document as applicable for **Group A and Group B**.

Subject Work will be divided in two groups:-

- **Group A – Structural Steel for Pipe Rack Work**
- **Group B – Civil and Under Ground (UG) Piping Work**

2.1 Evaluation Procedure

Following methodology shall be used to finalize award of work for different groups:

a) Bidder shall have the option of quoting either for Group A or Group B or Group A&B or in combination based on their meeting the qualifying requirement of the tender.

b) If a single bidder, quotes for more than one group, then its evaluation for each group, shall be done individually on standalone basis for each group and wherever, in such evaluation, the bidder meets the qualifying criteria for a particular group/s, the bidders price bids will be opened for that group. However, if a bidder does not qualify for Group A+ B but individually qualifies both for Group A and Group B, in such scenario their priced bid shall be opened for both the groups (i.e. Group A and Group B but not against Group A+B) and subject to further evaluation as per this procedure.

c) The evaluation of priced offer for award of the contract shall be based on least cost options to NRL i.e. Lower of following options :

Option I : L1 price of Group A and L1 price of Group B

Option II : L1 price of Group A+B

The above is illustrated with an example below.

The price quoted by Bidder X, Y & Z for two groups (A & B) is as below:

**EPCM-1 SERVICES FOR NUMALIGARH

Bidder	Price Quoted			Remarks
	Group A	Group B	Group A+B	
X	XA3	XB1	XAB2	Bidder X is L3 for Group A, L1 for Group B, L2 for Group A+B
Y	YA2	YB3	YAB1	Bidder Y is L2 for Gr. A , L3 for Gr B & L1 for Group A+B
Z	ZA1	ZB2	YAB3	Bidder Z is L1 for Gr. A, L2 for Group B and L3 for Group A+B

Now, The least cost combination shall be decided as below :

Option 1 = ZA1 + XB1

Option II = YAB1

The lower of the above options (i.e. Option I and Option II) will be considered for placement of order. In case of a tie (i.e. value of Option I and Option II is equal), the Option I shall be considered for award.

However, in case a bidder during techno-commercial evaluation qualifies for both the group individually but does not qualify for Group A+B, then his priced bid shall be opened both for Group A and Group B and award of the contract will be decided based on minimum cost to OWNER, i.e. Lowest of following options:

Option A : L1 price of Group A and L2 price of Group B

Option B : L2 price of Group A and L1 price of Group B

Option C : L1 of Group A+B

The above is illustrated with an example below.

The price quoted by Bidder X, Y & Z for two groups (A & B) is as below:

Bidder	Price Quoted			Remarks
	Group A	Group B	Group A+B	
X	XA1	XB1	XAB2	Bidder X is L1 for Group A and B, L2 for Group A+B
Y	YA2	YB3	YAB1	Bidder Y is L2 for Gr. A , L3 for Gr B & L1 for Group A+B
Z	ZA3	ZB2	YAB3	Bidder Z is L3 for Gr. A, L2 for Group B and L3 for Group A+B

Now, The least cost combination shall be decided as below :

Option A = XA1 + ZB2

Option B = YA2 + XB1

Option C = YAB1

The lowest of the above options (i.e Option A, Option B and Option C) will be considered for placement of order. In case of a tie, the award of the made as below :

- In case of ties between Option A/B (whichever is applicable) with Option C, the Option A/B (whichever is applicable) shall be considered for award.
- In case of ties between Option A with Option B, the bidder which is L1 for both the groups will be awarded the group having higher quoted amount. For the remaining group, the lowest bidder will be decided based on lottery amongst the selected bidders under consideration for least cost evaluation (i.e. L2 bidder for Group A & Group B).

Based on the least cost evaluation any bidder other than L1 is considered for award, price negotiation will be carried out with the respective L2 bidder and the job will be awarded at the negotiated price.

3.0 Bidder Qualification Requirement (BQC)

Appendix-A

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL: <https://eprocure.gov.in>). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "Online Bidder Enrolment" on the CPP Portal is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the priced bid have been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
- 5) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 6) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done
- 7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

Special Instructions to the Bidders for the e-submission of the bids online through e-Procurement Portal :

- Bidder should do Online Enrolment in this Portal using the option Click Here to enroll available in the Home Page. Then the Digital Signature enrolment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhraCA/GNFC/IDRBT /MTNLTrustline/SafeScrt/TCS.
- Bidder then logs into the portal giving user id / password chosen during enrolment.
- The e-token that is registered should be used by the bidder and should not be misused by others.
- DSC once mapped to an account cannot be remapped to any other account. It can only be Inactivated.
- The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under **My Documents** option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
- After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document, otherwise, the bid will be rejected.
- The BOQ template must not be modified/replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.
- If there are any clarifications, this may be obtained online through the e-Procurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online.
- Bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.
- The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids. The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.
- There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.
- It is important to note that, the bidder has to Click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids Which are not Frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.
- The **Tender Inviting Authority (TIA)** will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.
- The bidder may submit the bid documents online mode only, through this portal. Offline

documents will not be handled through this system.

- At the time of freezing the bid, the e-Procurement system will give a successful bid updating message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
- After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
- Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
- The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected. The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.
- All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.
- During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer (SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.
- The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).
