1.0 Introduction

Numaligarh Refinery Limited, (NRL), a Central Government Public Sector Undertaking and a subsidiary of Bharat Petroleum Corporation Ltd. NRL operates a 3 MMTPA Refinery at Numaligarh in the District of Golaghat, Assam since the year 2000. NRL has embarked on an ambitious path to expand its refining capacity from current 3 MMTPA to 9 MMTPA at its existing location in Assam in next 4 years. NRL's Expansion project also includes laying of crude oil pipeline for transporting imported crude oil from Paradip Port in Odisha to Numaligarh in Assam and setting up of a Crude Oil Import Terminal (COIT) at Paradip, Odisha. A cross country pipeline of around 1630 km shall be laid from Paradip Port to Numaligarh for transporting 8 MMTPA of imported crude oil. Additionally, one pipeline will be laid for transporting 6 MMTPA crude oil from IOCL refinery at Paradip to NRL's Crude Oil Import Terminal (COIT) at Paradip.

The pipeline shall be passing through 5 (five) States, namely, Odisha, West Bengal, Jharkhand, Bihar and Assam covering a distance of around 1635km.

NRL is now planning to lay the pipeline in phased manner starting with the section passing through Odisha State and subsequently other sections shall be followed. To ensure seamless integration of all pipeline project construction related data and real-time monitoring of key construction related activities, NRL intends to implement pipeline information management system (PIMS) for the entire pipeline section by engaging an agency through this tender.

2.0 Brief Scope of Work:

The complete scope of work and the basic scheme has been defined in the Technical Bid (Part-III). The bidder who undertakes to take total responsibility for the complete scope of work as defined in the Bidding document shall only be considered.

3.0 Bidder Qualification Criteria (BQC):

Bidder(s) who meet all of the following criteria as specified in Clauses below shall be qualified for participating in this tender and shall submit supporting documents as detailed in the tender. Proposal submitted by bidders who qualify as per the following criteria shall be technically and commercially evaluated.

3.1 Technical Criteria: Past Experience

The Bidder shall have the experience of having successfully executed or completed *similar works during the last 10 years ending on the last day of the month previous to one in which last date of original bid submission falls, meeting any one of the following options :

Criteria	Past Experience (Rs. in lacs)
One similar completed work each costing not less than	297
Two similar completed work each costing not less than	238
Three similar completed work each costing not less than	178

***Definition of Similar Works:** The bidder should have experience in "Implementation & completion of Web Based Pipeline Information Management System (PIMS) or similar application covering Pipeline Construction management and Pipeline material management system, for at least one hydrocarbon pipeline project having diameter of 12" or higher, and length 120 Km or more, in a single contract in India"

**Note:**

4. Relevant copy of purchase/work order/ agreement copy (containing the job description, item details, work order no., date of order, item wise ordered value, total ordered value) awarded in the name of bidder by client and completion certificates are to be enclosed with offer. The Completion Certificates shall have details like work order no. /date, brief scope of work, ordered & executed value of the job, commencement date, completion date etc. The originals of these documents shall have to be produced as and when asked for.
5. Cost of completed works specified above shall be exclusive of Service Tax / GST. Bidder shall produce documentary evidence against the Taxes & Duties applicable against the concerned job(s). In case the value of job submitted by the bidder does not have clarity with regard to inclusion/exclusion of Service Tax/GST, the amount appearing in the Completion Certificate shall be considered exclusive of tax and shall be evaluated accordingly.
6. The value of past experience shall be adjusted at a simple rate of 07% for every completed year and thereafter at @0.58% for every completed month ending last day of the month proceeding the month in which last date of original bid submission falls.
7. It is to be noted that experience as main contractor will only be taken cognizance of for the purpose of assessing qualifying criteria. However, authorized sub-contractors under principal contractors can also be considered provided their works completion certificate is issued by the client organization in case of job executed elsewhere under PSUs, limited companies, Government Departments, Quasi government and autonomous bodies. However, in case of sub-contractors under contractors engaged by NRL, the works completion certificate issued by the main contractor will also be acceptable provided the same is endorsed in original by Engineer-in-charge of NRL in terms of job description and value.
8. Bidders are requested to confirm their valid GSTIN/UIN along with the Bid Document, with a copy of the relevant certificates. NRL at its discretion may not consider the bidder's offer for further evaluation if the GSTIN/UIN is not valid/ active. Any misinterpretation or misinformation with respect to GSTIN/UIN may attract penal action including putting the bidder on holiday / blacklisting as per rules in vogue at NRL.
9. A Job executed by a Bidder for its own plant/ project cannot be considered as experience for the purpose of meeting BQC of this Tender Document. However, jobs executed by Subsidiary/Fellow subsidiary / Holding company will be considered as experience for the purpose of meeting BQC subject to submission of tax paid invoice (s) duly certified by Statutory Auditor of the Bidder towards payments of statutory tax in support of the job executed for Subsidiary/Fellow subsidiary/ Holding company. Such Bidders to submit these documents in addition to the documents specified to meet BQC.
10. Bids from Consortium and Joint Venture Company shall not be accepted.
11. Bids shall be liable for rejection without any notice to the bidder in case of non-submission of the following documents.
 - i) Income Tax / GST TDS Certificate from the client / proof of TDS, etc. for authentication of doing such jobs in case bidder submits experience of similar jobs under private limited company.
 - ii) In case of the job is a part of composite work contract, then the bidder shall have to furnish documents certified by the client about the value for the portion of such "similar job".

**Appendix-A****Instructions for Online Bid Submission**

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL: <https://eprocure.gov.in>). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "**Online Bidder Enrolment**" on the CPP Portal is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.

	Bidding Document No: OC10000413/KAV dtd. 14.07.2021	Page 10 of 14
	Name of Work: "Implementation of Pipeline Information Management System (PIMS) for NRL Crude Oil Pipeline Project"	

- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the priced bid have been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
- 4) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 5) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done.
- 6) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 7) Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 8) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

Special Instructions to the Bidders for the e-submission of the bids online through e-Procurement Portal:

- Bidder should do Online Enrolment in this Portal using the option Click Here to enrol available in the Home Page. Then the Digital Signature enrolment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhraCA/GNFC/IDRBT /MTNLTrustline/SafeScript/TCS.
- Bidder then logs into the portal giving user id / password chosen during enrolment.
- The e-token that is registered should be used by the bidder and should not be misused by others.
- DSC once mapped to an account cannot be remapped to any other account. It can only be Inactivated.
- The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under **My Documents** option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
- After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document, otherwise, the bid will be rejected.
- The BOQ template must not be modified/ replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.
- If there are any clarifications, this may be obtained online through the e-Procurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online.
- Bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.
- Bidder should arrange for the EMD as specified in the tender.
- The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids
- The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.
- There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the

clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.

- It is important to note that, **the bidder has to Click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids which are not Frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.**
 - In case of Offline payments, the details of the Earnest Money Deposit(EMD) document submitted physically to the Department and the scanned copies furnished at the time of bid submission online should be the same otherwise the Tender will be summarily rejected
 - The **Tender Inviting Authority (TIA)** will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.
 - The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.
 - At the time of freezing the bid, the e-Procurement system will give a successful bid updating message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
 - After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
 - Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
 - The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected
 - The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.
 - All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.
 - During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer (SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.
 - The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time **(as per Server System Clock).**
