TERMS AND CONDITIONS (COMMERCIAL):

1. **Price Basis:** FOR NRL Site, Numaligarh.

2. **Delivery Schedule:**

- (i) Date of receipt of materials at NRL premises shall be considered for calculation of price reduction.
- (ii) The time and date of Delivery of Material(s) as stipulated in the order shall be strictly adhered to on the clear understanding that the Price(s) of the Material(s) has/have been fixed with reference to the said Delivery date(s).
- (iii) Delivery of the material within the stipulated period is the principal essence of this tender. NRL at its discretion may not consider a bidder for evaluation and may reject the offer in case of deviation from the stipulated delivery period.

- (iv) It will be the sole responsibility of the bidder to arrange for Testing/TPI (if any) and submit the testing/Inspection certificate along with dispatch documents. No delivery date extension shall be allowed by NRL for any delay/lapse in this regard or due to any other reasons.

3. Price reduction clause (PRC) due to delayed delivery:

The inability of vendors to execute orders in accordance with the agreed/quoted delivery schedule will entitle NRL, at its options, to:

The total liquidated damages shall not exceed 5% (five percent) of the total value of the goods.

However, if delivery of goods (including installation & commissioning) in a staggered/splittable manner is possible and permissible, then, the LD imposed would be on the value of the portion of the delayed goods.

If the contract involves assembling/ integration/ commissioning of all the ordered goods to get the desired product/output, then, the LD imposed would be on the total order value of goods.

Compensation for loss on account of late delivery (actually incurred as well as notional) where loss is pre-estimated is termed as LD. There is no need to establish actual loss due to late delivery. Price reduction clause (PRC) for late delivery shall convey the same meaning as Liquidated Damages (LD).

Where any delay in delivery is due to default by the seller/contractor, any increase in statutory duties and/or upward rise in prices due to the price variation clause (PVC) and/or any adverse fluctuation in foreign exchange during the extended/delayed delivery period are to be borne by the seller/contractor. This will be over and above levy of LD/PRC. However, the purchaser reserves his right to get any benefit of a downward revisions in statutory duties, PVC and foreign exchange rate during the extended/delayed delivery period. Thus, PVC, other variations and foreign exchange clauses operate only during the original delivery period.

- (ii) Cancel the order in part or full and purchase such cancelled quantities from elsewhere on account at the risk and cost of the vendor, without prejudice to its right under 3 (i) above in respect of goods delivered.

Note:

- a) *In case of package items (ordered as a complete system), the price reduction for delayed delivery shall be applicable on the entire order value of that package and not on the value of the undelivered portions (even though a billing breakup has been approved).*
- b) *In case of purchase of bulk items where tolerance limit is specified (e.g. pipes, cables etc.), price reduction clause shall be applicable on the actual quantity supplied, within the tolerance limit, instead of Purchase Order quantity.*
