MSE Purchase Preference

MSE Purchase Preference	Yes
-------------------------	-----

1. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference for services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered service. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band defined in relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price.

2. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of

quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

Buyer Added Bid Specific Terms and Conditions

1. Certificates

Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization. Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity/restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and/or terms and conditions governing the bid. Any clause incorporated by the Buyer such as demanding Tender Sample, incorporating any clause against the MSME policy and Preference to make in India Policy, mandating any Brand names or Foreign Certification, changing the default time period for Acceptance of material or payment timeline governed by OM of Department of Expenditure shall be null and void and would not be considered part of bid. Further any reference of conditions published on any external site or reference to external documents/clauses shall also be null and void. If any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations. Also, GeM does not permit collection of Tender fee / Auction fee in case of Bids / Forward Auction as the case may be. Any stipulation by the Buyer seeking payment of Tender Fee / Auction fee through ATC clauses would be treated as null and void.

This Bid is governed by the [General Terms and Conditions](#), conditons stipulated in Bid and [Service Level Agreement](#) specific to this Service as provided in the Marketplace. However in case if any condition specified in General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement, then it will over ride the conditions in the General Terms and Conditions.

In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

Relevant information are provided in **Annexure-XX***
11. **Defect Liability Period** : 03 (three) months from the date of completion of the contract in all respect. Security Deposit shall be released after expiry of defect liability period.
12. **Terms of Payment** : Payment will be made against work done through RA Bills.

Further break-up of payment terms if deemed necessary shall be decided by the E-I-C. The above payments are subject to deductions towards security deposit, income tax and other recoveries as applicable as per terms of the contract.

An amount equivalent to the extent of eligible Input Tax Credit (ITC) available to NRL on each invoice shall be released only upon reflection of corresponding invoice and Input Tax Credit details in GSTR-2B report relating to NRL in GST portal. In other words, GST component eligible for Input Tax Credit, of any invoice shall be withheld till such time same is reflected in GSTR-2B.

13. **Price, Taxes, and Duties:** Without prejudice to stipulations in General Conditions of Contract, the bidder should quote firm prices inclusive of all taxes (including GST), duties & levies on which no variation will be allowed.

Note : It is for the bidder to assess and ascertain the rate of above taxes & duties applicable on quoted item (s). It is clearly understood that Owner will not have any additional liability towards payment of above taxes & duties which are based on Bidder's wrong assessment / interpretation of applicability of said taxes & duties.

14. **Penalty Clause:**

In case the contractor fails to comply with provisions of tender and requirement, penalty (monetary or otherwise) as deemed fit by the Engineer-In-Charge (E-I-C) will be levied as per the provisions in NRL GCC and provisions of the tender and the same shall be final and binding on the contractor.

15. **Other Terms and Conditions:**

- (a) The management of NRL reserves the right to reject any or all the tenders received without assigning any reason thereof.
- (b) Bids from consortium / joint venture shall not be considered.
- (c) Variation in the value of the work will not vitiate the tender agreement.

(o) Planning and Designing in purview of Vulnerability Atlas of India

Vulnerability Atlas of India (VAI) is comprehensive document which provides existing hazard scenario for the entire country and presents the digitized State/UT-wise hazard, maps with respect to earthquakes, winds and floods for district-wise identification of vulnerable areas. It also includes additional digitized maps for thunderstorms, cyclone and landslides. The main purpose of this Atlas is its use for disaster preparedness and mitigation at policy planning and project formulation stage.

This Atlas is one of its kind single point source for the various stakeholders including policy makers, administration, municipal commissioners, urban managers, engineers, architects, planners, public etc. to ascertain proneness of any city/location/site to multi-hazard which includes earthquakes, wind, floods thunderstorms, cyclones and landslides. While project formulation, approvals and implementation of various urban housing, buildings and infrastructures schemes, this Atlas provides necessary information for risk analysis and hazard assessment. The vulnerability Atlas of India has been prepared by Building Materials and Technology Promotion Council under Ministry of Housing and Urban Affairs, Government of India and available at their website www.bmtpc.org .

It is mandatory for the bidders to refer Vulnerability Atlas of India for multi-hazard risk assessment and include the relevant hazard proneness specific to project location while planning and designing the project in terms of:

- i) Seismic zone (II to V) for earthquakes,
 - ii) Wind velocity (Basic Wind Velocity: 55, 50, 47, 44, 39 & 33 m/s)
 - iii) Area liable to floods and Probable max. surge height
 - iv) Thunderstorms history
 - v) Number of cyclonic storms/ severe cyclonic storms and max sustained wind specific to coastal region
 - vi) Landslides incidences with Annual rainfall normal
 - vii) District wise Probable Max. Precipitation
- (p) In case any of the document/information(s) furnished by a bidder are found to be false/forged, such bidder will be kept in holiday list apart from other penal actions as deemed fit by NRL. All bidders are requested to refer to the revised Holiday Listing Policy of NRL made effective from 12.08.2021, available in NRL Website www.nrl.co.in → Tenders → Download Manuals → Holiday Listing Policy (w.e.f 12.08.2021) Link: https://www.nrl.co.in/upload/HolidayListingPolicy_12082021.pdf
- (q) Agencies who are already blacklisted or against whom there is adverse report on committing criminal offence, their offers will be rejected.
- (r) **Contractors' Performance Evaluation:** NRL has adopted a dynamic

performance monitoring /evaluation procedure for continuous monitoring and evaluation of contractors, to maintain their accountability and performance. A rating, based on performance shall be assigned for each work executed by a contractor. This rating shall be used in determining eligibility of the bidder in subsequent tenders issued by NRL (or by NRL authorized agencies / PMC / EPCM).

Following are the areas to be covered under continuous evaluation process:

1. Compliance of safety and housekeeping at worksite
2. Resource mobilization/delay in completion
3. Quality of works and documentation
4. Compliance of statutory / regulatory guidelines

Contractor whose performance is evaluated as Unsatisfactory based on pre-defined scoring criteria shall be debarred for 1 year from participating in NRL's tenders from the date of issuing notification by NRL.

Detailed Contractors' Performance Evaluation methodology is available in NRL Website www.nrl.co.in → Tenders → Download Manuals → Contractors' Performance Evaluation Procedure

Performance evaluation shall be applicable for the contract(s) to be awarded under this tender.

- (s) NRL adopts a practice to verify documents submitted by L1 (successful) bidder in support of bidders credential against PQC. Authentication may be verified with the issuing authorities, by way of direct communication to NRL over official e-mail IDs / original letter of authentication by post. Bidders may also follow up with the issuing authority for eliciting early response. If documents remain unauthenticated till given time line, NRL reserves the right to reject the bid. Proper address for communication, including e-mail ID of the issuing authority should be provided along the tender document.
- (t) After issuance of order to the successful Bidder by NRL, NRL will return the EMD to all unsuccessful Bidders. The EMD submitted by successful Bidder will be returned after depositing Initial Security Deposit. Alternatively, EMD of successful bidder can also be converted to security deposit for due performance of the contract if the contractor so desires.
- (u) Canvassing in any other form by the bidder or by any other agency on their behalf may lead to disqualification of their bid.
- (v) In case any bidder is found to be involved cartel formation, his bid will not be considered for evaluation/placement of order. Such bidder will also be debarred from bidding in future.
- (w) NRL reserves the right to defer the date/time of opening of the offer; to make changes in the terms & conditions of tender document and to reject any or all bids without assigning any reason thereof.
- (x) **Gate Pass System:** "Saral Pravesh" is a platform developed by Numaligarh Refinery Ltd. for applying & issuing of smart card-based Photo Gate Pass required for entering Numaligarh Refinery premises. This is a web based application and web link is

available on NRL web site (<https://www.nrl.co.in/>) under "Day to Day Applications" (Link: <https://www.nrl.co.in/icwcs/>). Any contractor, consultants, service provider, vendor who is required to deploy their employees, executives, workers, experts etc. at Numaligarh Refinery premises for execution of any work or training shall register in the "Saral Pravesh" system and apply for gate passes through this platform. Respective EICs may be contacted for further details after issuance of LOA / Work Order.

16. **ADDENDA/CORRIGENDA OF BIDDING DOCUMENT:** NRL may, for any reason whether at his own initiative or in response to the clarification requested by the prospective bidder(s), issue amendment in the form of Addendum/corrigendum during the bidding period or subsequent to receiving the bids. Any Addendum/corrigendum thus issued shall become part of Bidding Document and Bidder shall submit a copy of the Addendum/corrigendum duly signed and stamped in token of his acceptance.

The bidder must submit IT PAN No, GST registration Certificate and PF registration Certificate, ESI with their offer.

3.0 PRE-QUALIFICATION CRITERIA (PQC): Refer PQC mentioned in the tender document.

4.0 **SCOPE OF WORK:**

4.1 **General:**

- a) The job is to be carried out during RTA / Shutdown as per item descriptions and other standard work procedures for mandatory compliance to mechanical integrity and quality assurance as per relevant API/ASME codes & standards.

RTA /Shutdown of refinery units are tentatively planned in the month of March-April '23. Exact time shall be intimated by NRL at **least three months prior to start of RTA/Shutdown** and contractor has to mobilize **at least two month prior to start of shutdown date** for carrying out pre shutdown activities in a time bound manner.

- b) **Bidder is to submit following documents along with the Techno -Commercial Bid:**

- a) "Signed & stamped" copy of this tender document as token of acceptance.
- ii) Undertaking on their letter head that they will deploy experienced and qualified workmen including welders suitable for successful execution of the contract and that one quality supervisor having NDT level-II certificate shall be deployed to supervise the NDT jobs (**Refer Annexure-I of Technical Tender Document**).
- iii) Undertaking to mobilize all required tools & tackles, machineries before actual start of job.
- iv) Undertaking to use tested/certified equipment, tools & tackles, lifting tools etc.
- v) Round the clock mobilization undertaking as per job planning.
- vi) Organogram with list of various persons under applicable category of workers, welders and supervisors.
- vii) Mandatory PPE compliance undertaking
- c) Majority of the jobs under this contract shall be replacement of pipes, pipe fittings and repairing of column/vessel etc. (Inside/outside) and hence, mostly required to be welded at location by welding new parts with existing pipes / pipe fittings /components. So, proper cleaning / preparation of old piping, weldability of old with new component shall be considered for assuring mechanical integrity and avoiding failure in post weld NDT.

d) **The Contractual Period :**

Duration of contract will be for 30 days from the date of handing over of the required work front/ site.

Contractor to note that jobs shall be spread over various plants in the refinery viz. CDU/VDU, DCU, MSP, HCU, H2U, OM&S, CPP, Utility plants, Utility/Offsite areas, Flare units, SDU, WHFU, SRU, CCU etc. and scheduled maintenance days per plant shall be approximately 24 days which means 24 maintenance days for all the plants shall be staggered over a period of 30 days during shutdown. This excludes coverage for plant startup and re-commissioning activities. Contractor shall have to provide coverage till plant stabilization period.

However, Pre-shutdown related activities like power connection, material shifting, equipment testing/placement, prefabrication etc. are to be started **at least 02 months prior to the shutdown**. Accordingly, contractor has to mobilize at respective work sites and finish all preparatory works. (e.g. power connection, material shifting, equipment testing/placement, pre-fabrication etc.).

- e) **Validity of the contract:** Validity of contract shall be 18 months from the date of placement of PO.
- f) **Wage payment** shall be ensured by contractor within 10th day of every month irrespective of release of RA bill payment. Contractor may have to produce list of workers under his payroll during the contractual period/shutdown period with wage payment sheet along with statutory payments for release of final bill.
- g) Timely completion of the offered job is the essence of this contract. Being a continuous process industry under public utility service, manpower shall be deployed round the clock basis as per direction of Plant maintenance officer / EIC based on refinery shut down schedule and completion time to make the plant available for production.
- h) The contractor has to comply with all the statutory laws, standards, contract labour act, insurance etc. for execution of such type of jobs for which compliance certificate will have to be produced to the EIC.

- i) Contractor shall fully take responsibility for the antecedents and character of workers deployed by them for the work.
- j) The contractor must ensure payment of workers wages as per prevailing wage rate at the time of execution of job, as applicable. **Contractor shall pay to his workman wages not less than the minimum wages as per prevailing wage rate based on wage revision dated 01.03.2019 applicable at NRL site.** The worker wage sheet of workmen engaged by the party duly signed by the contractor shall have to be submitted to Engineer-In-Charge for bill processing.
- k) After award of contract, Contractor(s) must obtain Insurance Coverage in respect of workmen towards compensation as admissible under the workmen's compensation Act. Contractor(s) will be permitted to commence work only after obtaining Insurance Coverage for workmen
- l) Contractor(s) must arrange labour license for above mentioned work in case they are engaging more than nineteen labours a day.
- m) As refinery start up is very critical after long shutdown, contractor has to keep all resources ready for any emergency repair of piping job requirement until plant stabilized and till clearance issued for demobilization by E-I-C .
- n) **SOR Quantity indicate in tender is estimated quantity for each item. Final quantity may vary based on actual requirement or as necessary depends on RTA inspection (Upward/ downward).**
- o) **Defect Liability period shall be 03 (Three) months** from the date of completion of contractual period.
- p) The contractor shall have to work in tandem with other contractors like thickness gauging/hydro test/radiography/ scaffolding/ inspection/ different maintenance agencies of connected piping & equipment considering total turnaround jobs by different agencies.
- q) **Job volume may vary day to day basis based on handover from operation and clearance for hot work after ensuring the system becomes safe for hot work.**

- r) Demobilization from site for any type of resource shall be allowed only with permission from EIC.
- s) There is no separate mobilization/demobilization/remobilization charge in the contract.
- t) The contractor has to arrange canteen and lodging facility for his workmen **at his own cost**. Based on convenience to administration, NRL canteen facility can be asked for workers engaged in job, however all utensils and pick up arrangement from designated place shall be done by contractor.
- u) **No idle charges** for contractor's workmen, tools, equipment deployed for the work or for any reason not under control of NRL shall be paid in any case.
- v) **As this contract shall cover all hot jobs as per scope of work of line items for all the units of refinery and there will be simultaneous requirement of resources at all the units including offsite area to complete the job within RTA, so Contractor must ensure that same workers/welders are not used/engaged in more than one job simultaneously.**
- w) Job for different locations shall be allotted as per decision of EIC.
- x) **DGM (Mechanical Maintenance) shall be Engineer-In-Charge (EIC) for the job.**

4.2 Technical Specification/condition

The job is to be carried out as per the item description and other standard work procedure for mandatory compliance to mechanical integrity and quality assurance as per relevant API/ASME codes & standards. The following are the various activities tentatively to be carried out to declare the job as complete in all aspects:

- a) Execution of SOR items with all necessary resources & consumables under the scope of the contractor.
- b) Party has to mobilize any resource on crash basis in odd hours including Holidays / off days/ night time and continue the job on round the clock basis to meet the target within schedule shutdown period. Party must also have elaborate communication modes in place to cater to any emergency situation. NRL shall continuously monitor the job for adherence to schedule and time to time advice for necessary changes based on progress and work front.

- c) Party must be equipped to work in any adverse weather condition like rain/fog/humid/hot/cold environment and hence, must plan and acquire all such accessories to avoid interruption. No claim in this regard shall be applicable.
- d) Work on progress and completed work will be offered for inspection to NRL/ any third party agency for conformance to specific standard/ WPS/ work instructions of EIC. Welders and quality supervisors must be conversant with WPS & PQR for weldability of various materials, especially for repairing of in-service piping.
- e) Welding shall preferably be performed with GTAW process for both butt as well as fillet joints in H2/HC application, unless otherwise justified by contractor for quality assurance or specific advice from EIC.
- f) All tools & tackles, manpower, equipment, machineries, accessories and measuring instruments shall be supplied by contractor. Job front shall be given in all units of refinery and off-sites simultaneously as per schedule and contractor has to mobilize accordingly to complete the job within contractual period. Being shut down and priority nature of job, contractor has to shift/adjust his resources based on change in priority. Contractor site-in-charge has to go through the NRL job schedule/Bar chart and keep the activities at par with under close monitoring. Indicative lists of tools & tackles, machineries and measuring instruments etc. requirement for this job are furnished in "**Technical Tender Document Annexure - II and III**". **The lists are indicative only and thus not signify sufficiency.**
- g) Following activities will be attributable for completion of any work as and where applicable
 - i) Return of safety work permit
 - ii) Cleaning of area during and after completion of work. Non-compliance will attract penalty as per **Annexure-8 of NRL's GCC** and EIC or his representative may decide not to certify the job.
 - iii) Return of excess material and / or scrap to store or scrap yard / owners storage point. The contractor shall bear the cost of lifting, carting from issue points to work site / contractor store, custody, handling etc. Return of temporary facility / equipment, mobilized for the work including fire protection apparatus etc.

- h) In case of materials under custody of the contractor, though property of the owner will remain under the responsibility of the contractor, the contractor will be responsible to preserve them in good working condition as required by E-I-C to the satisfaction of the owner till such time same is erected, tested, handed over and taken over by owner after the job is completed in all respects. **For any loss or damage to materials while in the contractor's custody, contractor shall replace / repair at his own cost otherwise recoveries will be made from the contractor's bill and the decision of the E-I-C as to the amount of recovery will be final.**
- i) The welders may have to give welding test under NRL Inspection Department or any other party before commencement of job based on submission of documents. Contractors to depute sufficient welders for continuity of jobs at various location/positions/materials.
- j) All consumables, like industrial gases, quality welding electrodes and fillers (with valid certificates), grinding wheels, cutting wheels, emery paper, DP test kit , stress relieving machines with technician, fuel for DG set, consumables for radiography test temperature chalk/IR temp gun, hardness tester etc, are to be arranged by the contractor. All the equipment, materials, field instruments, consumables, etc. which are not specifically indicated in Owner's Scope of Supply, but are required for successful completion of the works as per specification, drawing, construction methodology etc., shall be included in the Contractor's Scope of Supply.
- k) Work has to be executed in any location (including confined place i.e. inside column/vessel/furnace etc.), height, position and time.
- l) In case any defect arising out of reason attributable to poor workmanship the same has to be attended and rectified by the contractor at no extra charge for all jobs. Similarly, for radiography and SR jobs, quantity shall be certified for the joints only once after completion of job in all respect and acceptance by NRL i.e. **Multiple RT/SR for weld defects repair shall not be certified more than one joint and subject to penalty in case of defects as per prevailing practice.**

- m) Immediate Mobilization and completion of work as per mutually agreed and set target is pre-requisite for such work and failing to comply the same may lead to termination of contract. Upon failure of the contractor to comply with any instruction given in accordance with provisions such as quality of work, progress of jobs, manpower & machinery deployment, non-conformity with the prescribed time such as work plan, incompetence to do the allotted work, inadequacy of resources required for the work, shortcomings of proper skill for work etc., the Engineer- In-Charge will have the right to re-contract or take up the work for execution partly or fully, departmentally or place additional manpower forces, tools, equipment and materials for such part of work as it may deem necessary for the timely completion of the jobs, after giving a **notice of 8 hours**. In such cases, the cost of such works and materials/ resources/ work contracts deployed will be recovered from contractor.
- n) If required, gasket cutting to specific sizes from sheet gasket is to be done by contractor without any extra cost.
- o) Electric lamp will be provided by NRL on returnable basis to contractor, but fitting of these in required position/height is within the scope of the contract.
- p) Mobilization and execution of radiography, other NDTs, pre-weld heat treatment and post weld heat treatment shall be in contractor's scope. Final certification of NDTs shall be done by NRL or any NRL authorized third party / IBR authority after validated by Contractor's Quality supervisor (having NDT level-II certificate).
- q) All required area preparation like dismantling of piping parts/structural/ducts/covers (by cutting), spading/de-spading, providing barricade; fire proof enclosure; covering nearby equipment, OWS points, drains ; water spraying etc. shall be in the scope of the contractor. Contractor shall arrange fire retardant tarpaulin, fire water hoses & nozzles, ceramic blankets/cloths, DCP etc. for this purpose. Contractor is to note that **asbestos blanket/ cloths** for such coverings shall not be permitted for use. This shall be inclusive in SOR item rate including restoration to original condition unless otherwise stated/advised.
- r) Contractor shall submit all relevant records viz. as-built isometric drawings with clear marking of all joints & critical dimensions, heat treatment chart, radiography report along with film, material balance statement etc. pertaining to the jobs as per requirement of EIC/ EIC's representatives . All these documents shall be part of bill for payment.

- s) Sunday/Holiday etc. shall be manned as per job requirement without any compromise considering time bound shutdown job.
- t) For radiography work, NRL shall allot the most suitable time considering all other shutdown activities/priorities. Contractor cannot demand or claim for delay on account of this. The strength of source shall be intimated while issuing permit for use.
- u) In case of delay in job progress due to inadequate skill/mobilization of SR/RT group(s) of contractor then NRL may engage other agency(s) in radiography or PWHT (SR) with prior notice to the Contractor and necessary recovery from the bill of contract shall be made at the applicable rate of SR/RT Contract(s) of NRL at the time of job.

4.3 Safety and Environment

- a) Non-compliance of safety norms (work procedure/PPE/unsafe work etc.) shall invite panel deduction as per Annexure-VIII of NRL's GCC
- b) For permit to work, the contractor shall strictly follow the existing work permit system in the Refinery where NRL officer shall take work permit from Operation department after necessary site preparation in line with work permit conditions and subsequently, handover it to site supervisor. No work within the Refinery premises shall be done without a valid work permit issued by NRL. All cold jobs shall be governed by Cold permit system, all hot jobs by hot permit system. These shall have to be obtained prior to start of any jobs / activity, needs to be renewed in every 8 or 12 hours interval and permit shall be kept at the work location by the concerned supervisor of the contractor for checking at any point of time. Apart from this, height permit and Job safety Plan shall be issued on applicable situations.
- c) As multiple agencies shall be working in a unit, so permit shall be issued in sequential manner at site subject to compliance of relevant permit conditions. No claim/complain in delay in issuing permit shall be entertained.
- d) Hydrocarbon LEL test, H₂S and Oxygen test shall be carried out through NRL calibrated portable detectors prior to issue work permit and in case of any requirement. However, Contractor workers can also keep such detectors of their own for site safety vigilance while working as per safety policy of contractor.

- e) Proper Housekeeping of the area in and around the work place during and after work completion will be the party's responsibility. All waste generated during job execution is to be disposed-off to designated bins/location as per direction of officer in charge.
- f) Contractor shall have to follow NRL gate pass system for plant entry. All persons to be engaged require undergoing one day safety training at refinery premises before the gate pass is issued. This is not part of contractual period and contractor shall plan accordingly. All company's workmen shall have to carry requisite identification documents - Voter's ID card / Aadhaar card/Passport with Photograph along with them to facilitate Gate Pass Formalities. Entry to Refinery Premises will be strictly on valid gate pass. Contractor is advised to enquire and fulfill the exact requirement to avoid any inconvenience at later stage.
- g) Contractor shall abide by all types of Safety, Quality, Health & Environment rules / standard followed in NRL.
- h) Contractor shall take care for safety & security of their staff and materials during the contractual period.
- i) PPE like boiler suit, safety shoe, helmet, hand glove, safety belts, fall arrestor, goggles etc. are to be arranged by the contractor for all workmen and supervisor. Contractor shall arrange and use safety nets wherever work is carried out at height, if necessary.
- j) All lifting equipment, tools & tackles are to be provided with valid calibration certificate by the contractor before commencement of the contract.
- k) Tool box talk shall be delivered by contractor engineers/safety supervisors before starting the job everyday based on Job safety plan and applicable hazards and record of such meeting shall be maintained for review by NRL.
- l) Welding machine and any other electrical driven equipment with 3phase power connection must be tested and certified for use (at site prior to connection) by qualified supervisor i.e. having electrical supervisory license issued by competent authority. Contractor to follow detail procedure/check list that is followed at NRL.

- m) The contractor will be wholly and solely responsible for verifying the antecedents of the persons employed by the contractor and the consequences thereof for employing any person with illegal antecedents.
- n) Contractor must ensure that workers to be engaged in critical works like confined space or height etc. are physically sound health and capable.

5.0 Test and Inspection of Works :

The work is subject to inspection at all times by the Engineer-In-Charge / Plant in charge/ NRL inspection department or their representatives. The Contractor shall carry out all instructions given during inspection and shall ensure that the work is being carried out according to the technical specifications of this tender, the technical documents and the relevant codes of practice furnished to him during the performance of the work.

The inspection shall be done by the following agencies:

- a) Representative deputed by Engineer-In-Charge /Plant In-Charge or
- b) Representative deputed by NRL Inspection department /TPI or
- c) Representative deputed by Statutory Authority /IBR.

Contractor shall give prior notice sufficiently ahead of time to the Engineer-In-Charge/his representatives and also to the other authorities to conduct inspection / to witness such test.

All results of inspection and tests will be recorded in the inspection reports, preform of which will be approved by NRL Inspection Officers or their representatives /statutory authority /representative of E-I-C/E-I-C . These reports shall form part of the completion document for certification of bill.

6.0 NRL's obligations:

- a) NRL shall provide the contractor a suitable place / area for establishing his site office on temporary basis. However, all facilities for running the site office like distribution of power, water etc. will have to be arranged by the contractor. Power, air, water from the nearest place will be provided by NRL free of cost. Contractor will make their own arrangement for drawing these from the designated location. Proper housekeeping and construction shall be aesthetically maintained along with safety.

- b) Necessary Crane with operator, but without riggers and lifting arrangement. Contractor can also mobilize their own crane at their own cost for speed up the job considering allotment of crane would be done on job priority and shutdown maintenance schedule of overall shutdown job in RTA.
- c) Scaffolding shall be arranged by NRL through different agencies for the jobs at height. Contractor has to identify the work location jointly with NRL representatives and intimate the requirement at least 48hours prior to actual start of job.
- d) Pipe, fittings, gaskets, nut, bolts/studs only related to equipment will be supplied by owner free of charge, which has to be collected by the contractor from owner's storage point after fulfilling necessary formalities. However, duly certified consumption status has to be submitted for regularization purposes and excess/ scraps are to be returned to store by the contractor. It shall be the responsibility of contractor to preserve the unused spares in good condition.
- e) Proper electrical power clearance shall be obtained by the contractor from the electrical section of NRL wherever such requirement arises. D. Benefits Under The Public Procurement Policy for Micro and Small Enterprises (MSEs) Order 2012

1. Issue of Tender Sets Free of Cost

All Tenders shall be provided free of cost and tender documents are downloadable from the GeM Portal.

2. Exemption from payment of EMD (Earnest Money Deposit)

MSE units meeting the qualifying criteria (point A above) shall be exempted from paying EMD if EMD is applicable against the tender.

3. Price preference for MSE Bidder:

- i) In tender, participating Micro and Small Enterprises quoting price within price band of L1+15% per cent shall also be allowed to supply a portion of requirement by bringing down the price to L1 price in a situation where L1 price is from someone other than a Micro and Small Enterprise and such Micro and Small Enterprise shall be allowed to supply up to 25 percent of total tendered value.

In case of more than one such Micro and Small Enterprise, the supply shall be shared proportionately (to tendered quantity)

- ii) In case of tender item is non-splittable or non-dividable, etc. MSE quoting price within price band L1+15% may be awarded for full/complete supply of total tendered value to MSE, considering spirit of policy for enhancing the Government procurement from MSE, provided they agree to bring down their price to L1 price.
- iii) NRL reserves the right to allow micro and small enterprises as well as MSEs owned by SC/ST entrepreneur and MSEs owned by Women, purchase preference as admissible under the prevailing procurement policy for MSEs.

iv) For Supply of Goods only:

- The quantity against the item(s) of tender may be split to enable ordering of 25% quantity against the item(s) of tender to MSE bidder(s) within the price range of L1 bidder's evaluated price + 15% subject to their matching L1 bidder's price.
- The quoted prices by bidders against various items of tender shall remain valid in case of splitting of quantities to MSE bidder.
- Out of this 25% allocation for MSEs, 4% shall be to MSEs owned by SC/ ST entrepreneurs. However, in event of failure of MSEs owned by SC/ ST entrepreneurs to participate in the bidding process or meet the tender requirements and L1 price, 4% will be met from other MSEs.
- Additionally, out of above 25% allocation to MSEs, 3% shall be to MSEs owned by Women. However, in event of failure of MSEs owned by Women to participate in the bidding process or meet the tender requirements and L1 price, 3% will be met from other MSEs.

- While granting purchase preference as above, procurement of goods may include certain small work, or some services, which are incidental or consequential to supply of such goods such as transportation, insurance, installation, commissioning, training & maintenance.

Clarification:

- *In case where quantity against a line item cannot be split (i.e., minimum 25% to MSEs) or items with single quantity or in grouped item, the complete line item/ group shall be awarded on MSE bidder within the price range of L1 bidder's evaluated price + 15% subject to their matching L1 bidder's price.*
- *In case, quantity(ies) against an item/ group cannot be split among MSEs, first opportunity shall be given to*
 - *MSEs owned by Women*
 - *then to MSEs owned by SC/ ST entrepreneurs, and*
 - *lastly to other MSEs, within the price range of L1 non-MSE bidder's evaluated price + 15%.*
- *In cases where MSE bidder in order of preference indicated above refuses to accept the L1 price, opportunity shall be provided to the other bidders in order of preference and so on.*

v) For Services only:

- *The complete scope of Services shall be awarded on MSE bidder within the price range of L1 bidder's evaluated price + 15%, subject to their matching L1 bidder's price.*
- *In case, besides general MSEs, MSEs owned by SC/ ST and/ or MSEs owned by Women are within the price range of L1 bidder's evaluated price + 15%, first opportunity shall be given to*
 - *MSEs owned by Women*
 - *then to MSEs owned by SC/ ST entrepreneurs, and*
 - *lastly to other MSEs, within the price range of L1 non-MSE bidder's evaluated price + 15%.*
- *In cases where MSE bidder in order of preference indicated above refuses to accept the L1 price, opportunity shall be provided to the other bidders in order of preference indicated above.*

- vi) In case purchase preference is applicable, but negotiation is to be conducted with L1 bidder, negotiation shall be carried out. Price range within 15% shall be considered for MSE bidders based on the original prices of L1 bidder not on the negotiated prices. However, MSE bidder shall be offered to match the negotiated prices (even if, post negotiation, they are higher by more than 15% as compared to L1 bidder provided they were within 15% of L1 bidder as per original quoted prices).

E. Relaxation of Past Track Record (PTR) for MSEs and Start ups

The services require are critical in nature from operation & safety point of view and as such, relaxation of 'Prior Turnover' and 'prior experience' norms shall not be applicable for this Tender. Pre-Qualification Criteria (PQC) must be complied by all the participating bidders.

F. Applicability of the Policy

- For a participating bidder, MSE status shall be considered for purchase preference in respect to procurement of goods and services only, if the vendor is registered as MSE for the tendered category of goods / service
- Policy meant for procurement of only goods produced and service rendered by MSEs. However, traders /resellers /distributors /authorized agents will not be considered for availing benefits under Public Procurement Policy 2012 for MSEs
- Public Procurement Policy is applicable for supply of goods and services. Works contract is not covered under the PP Policy for MSME. Accordingly, the clause D 3 (Price preference for MSE bidder) and clause E (Relaxation of past track record (PTR) for MSEs and Start-ups) as mentioned above will not be extended to works contracts.
- The provisions for MSE bidders mentioned in this document shall be applicable for limited enquiries as well as NITs.

- 3.12 **Margin of Purchase preference:** The margin of purchase preference shall be 20%.

4. Eligibility and Conditions

- 4.1 In case the tender has been specifically issued to / applicable for Class-I Local Suppliers, only Class-I Local Suppliers, as defined above shall be eligible to bid.
- 4.2 Other than 4.1 above, any tender issued on domestic tender (bidding) basis, only Class-I local supplier and Class-II local supplier shall be eligible to bid in such tender.

In case the tender is issued on global tender (bidding) basis, Non-local suppliers shall also be eligible to bid along with Class-I local suppliers and Class-II local suppliers.

In above tenders, Class-I local supplier shall only be eligible for purchase preference as per clause 5.0 below.

5. Purchase Preference- Linked with Local Content (LC)

The manufacturers/ service providers having the capability of meeting/ exceeding the local content targets shall be eligible for purchase preference under the policy, i.e., LC manufacturers/ LC service providers respectively as described below:

- 5.1 In procurement of all items/ services/ works which are divisible in nature, the Class I local supplier shall get purchase preference over 'Class II local supplier' as well as 'Non Local Supplier' as per following procedure:
- i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class I local supplier', the contract for full quantity will be awarded to L1.
 - ii. If L1 bid is not a 'Class-I local supplier', the bidders shall be ranked in the ascending order of evaluated prices and the lowest bidder among the 'Class-I local supplier' will be invited to match the lowest bidder's evaluated price for the 50% quantity against the respective item(s) of MR subject to the Class-I local supplier's quoted prices falling within the margin of purchase preference, and contract for that quantity shall be awarded to such 'Class-I local supplier' subject to matching the lowest bidder's evaluated price. In case such lowest eligible Class-I local supplier fails to match the lowest bidder's evaluated price or accepts less than the offered quantity, the next higher Class-I local supplier with the margin of purchase preference shall be invited to match the L1 price for remaining quantity against the respective item(s) of MR and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on Class-I local suppliers, then such balance quantity may also be ordered on the L1 bidder.

If 50% quantity of an item works out to a fraction of quantity, the bidder shall be considered for next higher quantity. In case the quantity cannot be split, the order shall be placed with the entire quantity.

In case none of the Class-I local suppliers agree to match the lowest price, the natural lowest bidder will be awarded the job.

- 5.2 In the procurement of all items which are not divisible in nature, and in procurement of services where the bid is evaluated on price alone, the 'Class-I local supplier' shall get purchase preference over 'Class-II local supplier' as well as 'Non-local supplier', as per following procedure:
- i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract will be awarded to L1.
 - ii. If L1 is not 'Class-I local supplier', bidders shall be ranked in the ascending order of evaluated prices and the lowest bidder among the 'Class-I local supplier' will be invited to match the lowest bidder's evaluated price subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such 'Class-I local supplier' subject to matching the lowest bidder's evaluated price.
 - iii. In case such lowest eligible 'Class-I local supplier' fails to match the L1 price, the 'Class-I local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the lowest bidder's evaluated price and so on and contract shall be awarded accordingly. In case none of the 'Class-I local supplier' within the margin of purchase preference matches the lowest bidder's evaluated price, the contract may be awarded to the L1 bidder.
- 5.3 The option in case of MSE bidders qualifying under both Policies for purchase preference, namely, Purchase Preference under the Public Procurement Policy - 2012 (PPP-2012) for MSE bidders and Purchase Preference Linked with Local Content (PP-LC) shall be exercised as under:
- i. The MSE bidder can avail only one out of the two applicable purchase preference policies, i.e., PP-LC or PPP-2012 and therefore, bidder will be required to furnish the option under which he desires to avail purchase preference. This option must be declared in the original offer and no change in the option shall be allowed. In case bidder fails to indicate his option in the original bid although he is eligible for both the Policies, NRL/Consultant shall evaluate his offer considering PPP-2012 as the default chosen option.
- In case, a MSE bidder opts for preference under PPP-2012, he shall not be eligible to claim benefit under PP-LC (irrespective of the fact whether he furnishes the details of LC in his offer and this LC meets the stipulated LC criteria as Class-I local supplier).
- ii. In case a MSE bidder opts for purchase preference based on PP-LC, he shall not be entitled to claim benefit of purchase preference benefit as applicable for MSE bidders under PPP-2012. However, the exemptions from furnishing Bidding Document fee ,Bid security and relaxation in Bid Qualification Criteria, if any, mentioned in the bidding document shall continue to be available to such a bidder.
- A. Bidder's quoted prices against various items of enquiry shall remain valid even in case of splitting of quantities of the items as described above, except in case of items where the quantity cannot be split since these are to be awarded in a Lot or as a package or Group.
 - B. While evaluating the bids, for price matching opportunities and distribution of quantities among bidders, the order of precedence shall be as under:
 - MSE bidder (PPP-2012)
 - Class-I Local Supplier (PP-LC)

Examples of Purchase Preference:

Non divisible item

L1 bidder is non MSE or other than class-I local supplier

L2 bidder is Class-I local supplier (within 20%)

L3 bidder is MSE bidder (within 15%)

MSE bidder shall be given preference to match the L1 evaluated price. If L3 bidder matches the L1 evaluated price, order shall be placed on him, otherwise, option for matching the L1 price shall be given to L2 bidder (Class-I local supplier).

Divisible item

L1 bidder is non MSE or other than class-I local supplier

L2 bidder is Class-I local supplier (within 20%)

L3 bidder is MSE bidder (within 15%)

MSE bidder shall be given preference to match the L1 evaluated price. If bidder matches the L1 price, order shall be placed on him for the quantity specified in the bidding document (i.e., 25% of the quantities against the item(s) of MR). For the balance quantity (i.e. 50% of tendered quantity / value) option for matching the L1 evaluated price shall be given to L2 bidder (Class-I local supplier). Balance quantity (i.e., 25% of the quantities against the item(s) of MR) shall be awarded to natural lowest bidder.

In above case, if there will be 2 or more MSE bidder within 15%, then 25% quantity shall be distributed proportionately / equally among the MSEs who have agreed to match the L1 prices.

- C. In case lowest bidder is a MSE bidder, the entire work shall be awarded to him without resorting to purchase preference to bidders complying with Local Content.
- D. In case lowest bidder is a Class-I local supplier, purchase preference shall be resorted to MSE bidder as per provisions specified in the enquiry document w.r.t. PPP-2012 only.
- 5.4 In case purchase preference is applicable, but negotiation is to be conducted with L1 bidder, negotiation shall be carried out. MSE and/or Class-I local supplier shall be offered to match the negotiated prices (even if, post negotiation, they are higher by more than 20% (for Class-I local supplier)/ 15% (for MSEs) as compared to L1 bidder provided they were within 20% (for Class-I local supplier)/ 15% (for MSEs) of L1 bidder as per original quoted prices) and left out quantity, if any, as per provisions of enquiry document shall be awarded to that bidder.

6. Determination of LC**6.1 LC of goods**

- 6.1.1 LC of goods shall be computed on the basis of the cost of domestic components in goods, compared to the whole cost of product.
- 6.1.2 The criteria for determination of the local content cost in the goods shall be as follows:
 - a) in the case of direct component (material), based on country of origin;
 - b) in the case of manpower, based on INR component.
- 6.1.3 The calculation of LC of the combination of several kinds of goods shall be based on the ratio of the sum of the multiplication of LC of each of the goods with the acquisition price of each goods to the acquisition price of the combination of goods.

6.2 LC of service

- 6.2.1 LC of Service shall be calculated on the basis of the ratio of service cost of domestic component in service to the total cost of service.
- 6.2.2 The total cost of service shall be constituted of the cost spent for rendering of service, covering:
 - a) cost of component (material) which is used;
 - b) manpower and consultant cost; cost of working equipment/ facility; and
 - c) general service cost
- 6.2.3 The criteria for determination of cost of local content in the service shall be as follows:
 - a) in the case of material being used to help the provision of service, based on country of origin;
 - b) in the case of manpower and consultant based on INR component of the services contract;
 - c) in the case of working equipment/facility, based on country of origin; and
 - d) in the case of general service cost, based on the criteria as mentioned in clauses a, b, and c

above.

- e) Indian flag vessels in operation as on date.

6.3 **LC of the EPC Contracts:**

- 6.3.1 LC of EPC contracts shall be the ratio of the whole cost of domestic components in the combination of goods and services to the whole combined cost of goods and services.
- 6.3.2 The whole combined cost of goods and services shall be the cost spent to produce the combination of goods and services, which is incurred on work site. LC of the combination of goods and services shall be counted in every activity of the combination work of goods and services.
- 6.3.3 The spent cost as mentioned in paragraph 6.3.2 shall include production cost in the calculation of LC of goods as mentioned in clause 6.1.1 and service cost in the calculation of LC of services as mentioned in clause 6.2.2.

6.4 **Calculation of LC and Reporting**

LC shall be calculated on the basis of verifiable data. In the case of data used in the calculation of LC being not verifiable, the value of LC of the said component shall be treated as nil.

7. **Certification of Local Content:**

- 7.1 "Class-I / Class- II Local suppliers are eligible to bid only if they meet the local content norms, therefore whether or not they want to avail PP-LC benefit, it will still be mandatory for them to give adequate documentation as follows to establish their status as class-I or class-II local supplier:

7.1.1 At bidding stage:

- a) Bidder shall furnish the percentage of the local content in the bid, taking into account the factors and criteria listed out in the policy.
- b) The bidder shall also submit the following:
 - The bidder shall submit an undertaking from the authorised signatory of bidder having the Power of Attorney along with the bid stating the bidder meets the mandatory minimum LC requirement and such undertaking shall become a part of the contract.
 - In cases of procurement for a value in excess of Rs. 10 Crores, the Undertaking submitted by the bidder shall be supported by a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practising cost accountant or practising chartered accountant (in respect of other than companies) giving the percentage of local content.

However, in case of foreign bidder, certificate from the statutory auditor or cost auditor of their own office or subsidiary in India giving the percentage of local content is also acceptable. In case office or subsidiary in India does not exist or Indian office/ subsidiary is not required to appoint statutory Auditors or cost auditor, certificate from practising cost accountant or practising chartered accountant giving the percentage of local content is also acceptable.

Note:

- i) Bidder shall furnish the undertaking/ declaration in the enclosed **Format-2A** in the un-priced part of the bid duly signed, seal & stamp.
- ii) The onus of submission of appropriately certified documents lies with the bidder and the purchaser shall not have any liability to verify the contents and will not be responsible for the same.

However, in case the procuring company has any reason to doubt the authenticity of the Local Content, it reserves the right to obtain the complete back up calculations before award of work failing which the bid shall be rejected.

7.1.2 After award of contract:

- The bidder shall submit an undertaking from the authorized signatory of bidder having the Power of Attorney along with the bid stating the bidder meets the mandatory minimum LC requirement and such undertaking shall also become a part of the contract.

- In cases of procurement for a value in excess of Rs. 10 Crores, the Undertaking submitted by the bidder shall be supported by a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practising cost accountant or practising chartered accountant (in respect of other than companies) giving the percentage of local content.

However, in case of foreign bidder, certificate from the statutory auditor or cost auditor of their own office or subsidiary in India giving the percentage of local content shall be acceptable. In case office or subsidiary in India does not exist or Indian office/ subsidiary do not have statutory Auditors or cost auditor, certificate from practising cost accountant or practicing chartered accountant giving the percentage of local content is also acceptable.

- The Local Content Certificate shall be submitted along with each invoice raised. However, the % of local content may vary with each invoice while maintaining the overall % of local content for the total work / purchase of the pro-rata local content requirement. In case, it is not satisfied cumulatively in the invoices raised up to that stage, the supplier shall indicate how the local content requirement would be met in the subsequent stages.
- Procuring company shall also have the authority to audit as well as witness production processes to certify the achievement of the requisite local content and/or to obtain the complete back up calculation before award of work failing which the bid shall be rejected and appropriate action may be initiated against the bidder.

8. Failure of bidder in complying with the local content post award:

In case bidder, who has specified in his bid that the bid meets the minimum Local Content specified in the enquiry document for Class-I Local Supplier or Class-II Local supplier, fails to achieve the same, the following actions shall be taken by the procuring company:

- a. Pre-determined penalty @ 10% of total contract value.
- b. Banning business with the supplier/contractor for a period of one year.

To ensure the recovery of above pre-determined penalty, payment against dispatch/ shipping document shall be adjusted to the extent that the 10% payment out of the milestone payment shall be released after completion of the milestone as well as submission of certification towards achievement of Local Content. In case of tenders for services/ works, this portion of 10% shall be retained from the major milestone payment (value wise) against the item. Alternatively, this payment shall be released against submission of additional bank guarantee valid till completion schedule, plus 3 months or as required by purchasing company.

- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Section 2 - Commitments of the Bidder / Contractor/Supplier

(1)The Bidder / Contractor/Supplier commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.

- a) The Bidder / Contractor/Supplier will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person, any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange, any advantage of any kind whatsoever during the tender process or during the execution of the contract.
- b) The Bidder / Contractor/Supplier will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.
- c) The Bidder / Contractor/Supplier will not commit any offence under the relevant Anti-Corruption Laws of India; further the Bidder / Contractor/Supplier will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
- d) The Bidder / Contractor/Supplier will, when presenting his bid, disclose any and all payments he has made, is committed to, or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

(2)The Bidder / Contractor/Supplier will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future contracts

If the Bidder, before contract award, has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

- (1) If the Bidder/Contractor/Supplier has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is also entitled to exclude the Bidder / Contractor/Supplier from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
- (2) A transgression is considered to have occurred if the Principal after due consideration of the available evidences, concludes that no reasonable doubt is possible.
- (3) The Bidder accepts and undertakes to respect and uphold the Principal's absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
- (4) If the Bidder / Contractor/Supplier can prove that he has restored / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.

Section 4 - Compensation for Damages

- (1) If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to Earnest Money Deposit/Bid Security.
- (2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor/Supplier liquidated damages equivalent to Security Deposit / Performance Bank Guarantee.
- (3) The Bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder / Contractor/Supplier can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount of the liquidated damages, the Bidder / Contractor/Supplier shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 - Previous Transgression

- (1) The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section 6 - Equal treatment of all Bidders / Contractors /Suppliers/ Subcontractors

- (1) The Bidder/Contractor/Supplier undertakes to demand from all subcontractors a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.
- (2) The Principal will enter into agreements with identical conditions as this one with all Bidders, Contractors/Suppliers and Subcontractors.
- (3) The Principal will disqualify from the tender process all Bidders who do not sign this Pact or violate its provisions.

Section 7 – Punitive Action against violating Bidders / Contractors / Suppliers/Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor, Supplier or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor, Supplier or Subcontractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section 8 - Independent External Monitors

- (1) The Principal has appointed competent and credible Independent External Monitors for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
- (2) The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.

- (3) The Bidder/Contractor/Supplier accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Bidder/Contractor/Supplier. The Bidder/Contractor/Supplier will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to this project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Supplier/ Subcontractor with confidentiality.
- (4) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Bidder/Contractor/Supplier. The parties offer to the Monitor the option to participate in such meetings.
- (5) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The Monitor can in this regard submit non-binding recommendation. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, the Independent External Monitor shall give an opportunity to the Bidder/Contractor/Supplier to present its case before making its recommendations to the Principal.
- (6) The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.
- (7) If the Monitor has reported to the Chairperson of the Board a substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
- (8) The word 'Monitor' would include both singular and plural.

Section 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor/Supplier 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made / lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged / determined by Chairperson of the Principal.

Section 10 - Other provisions

- (1) This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. Guwahati. The Arbitration clause provided in the main tender document / contract shall not be applicable for any issue / dispute arising under Integrity Pact.
- (2) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
- (3) If the Bidder/Contractor/Supplier is a partnership or a consortium, this agreement must be signed by all partners or consortium members.
- (4) Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
