| M/s Brahmaputra<br>Commerce and Trade<br>M/s Navitus Controls and<br>Equipment Pvt. Ltd. | NRL PO 4300005212 retrofit of<br>11KV SF6 breakers               | Bidders must have past experience of having successfully completed at least one similar job in Govt., semi-Govt., PSU, MNC, Public Ltd. Company in India during last 10 years ending last day of the month preceding the months in which bids are invited. Similar works : experience in anyone of the following services.<br>(a) Overhauling & servicing of HT breakers (minimum 11 KV level).<br>(b) Retrofitting including testing & commissioning of HT breakers / Bust duct (minimum 11KV level).<br>PO and completion certificate / MOM copy is required as proof of experience. | Yes        | Yes                                                  | Yes                      | Yes                                                                                   | Yes                                                  | In the submitted bid , the documents complying the PQC requirements were not found. Regarding this TQ was sent on 9/9/2019 and reply received on 12/09/2019 alongwith with PO copies where scope of overhauling of HT breakers was not found, only condition monitoring/diagnostic testing is mentioned which is not the same. Again clarification was asked which was replied back vide mail dated 12/09/2019. The submitted PO copies doesn't substantiate the scope described in the mail. Since the scope is not mention in the submitted PO copies , it can't be accepted. The same is informed to bidder vide mail dated 13/09/2019. Hence rejected. |

\* Reasons of technical rejection to be clearly indicated. Separate sheet, if required, to be enclosed.

All the participating qualified bidders have been brought at par in technical specifications as per indent:
