Methodology of Evaluation

EOI No : NRL-EOI-OS-2021-01

EOI for purchase of office space at Kolkata for NRL Kolkata

Evaluation shall be on the basis of Quality cum Cost Based System (QCBS)

The short-listed properties based on Technical Bids will be visited by the Technical Committee / empanelled valuers and/ or Architect for assessing the valuation and to verify the quality of construction and other verification etc. for its satisfaction. The bidder should cooperate and provide the requisite information / documentary proof to the visiting officials / NRL's approved valuers and/or Architect for verification.

Detailed Evaluation Methodology under QCBS :

- i) Qualifying marks in the 'technical evaluation' and 'Price Quote' will be allotted a weightage which will be 70:30. While for technical evaluation the scores will be directly proportional whereas for financial evaluation the scores will be inversely proportional.
- ii) Minimum qualifying marks for the Technical bids will be acceptable on obtaining a qualifying mark of at least 60% of the Total Technical Score.
- iii) The overall marks of Technical Evaluation shall be converted to proportionate marks of 70. E.g if overall technical evaluation is done based on 150 mark of which the bidder has obtained 120, then his relative technical score for overall evaluation in QCBS shall be
 $120/150 \times 70 = 56$. To qualify, the relative technical score out of 70 shall be minimum 42
- iv) The price bid of only those parties will be opened whose EOI are found technically qualified by the Technical evaluation committee. Technical bids securing qualifying marks (60%) and above shall be considered for price bid opening and further evaluation.
- v) For the purpose of comparison, total financial implication (i.e. including but not restricted to parking, registration charges, GST, Electricity installation charges, maintenance charges etc.) on purchase of property, shall be considered
- vi) Price bid of the bidder with the lowest cost will be given a financial score of 100 and other bids will be given financial score that are inversely proportional to their quoted prices. E.g in case lowest offer amongst technically qualified bidders is Rs 1 Crore then the marks for financial evaluation for somebody quoting 1.2 crores and Rs 1.25 crores shall be as follows :
 - a. For Rs 1 Crores – 30 Marks
 - b. For Rs 1.2 Crores – $1/1.2 \times 30 = 25$ marks
 - c. For Rs 1.25 Crores – $1/1.25 \times 30 = 24$ marks
- vii) The total score, both technical and financial, shall be obtained by weighing the Technical scores and Price scores and adding them up. On the basis of the combined weightage score for Technical and Price , the bidders shall be ranked in terms of the total score obtained. The bidder obtaining the highest total combined score will be ranked as H-1 followed by the bidders securing lesser marks as H-2, H-3 etc.

On the basis of Combined score, the bidder with highest score (H-1) will be declared successful and shall be recommended for award of contract.

In the event of two or more proposals have the same scores in the final ranking, the bidder with highest technical score shall be ranked first (H-1) . In case multiple proposals have same score in the final ranking and same technical score, all should be treated as H-1 and they will be asked to provide revised price offer in a sealed envelope for further evaluation and determining the H-1
