Text of Application Why is the government providing subsidy for diesel. what are the prospects of DBT(Direct Benefit Transfer) in case of Diesel Subsidy.

Reply of Application Numaligarh Refinery Limited (NRL) is selling Diesel to other Oil Marketing Companies (OMCs) at Refinery Transfer prices which is market determined and therefore does not receive any subsidy from Government on sale of Diesel. With effect from midnight of 18th /19th October 2014, the prices of Diesel are market determined at both Retail and Refinery Gate level for all consumers. The question of DBT (Direct Benefit Transfer) in case of Diesel Subsidy is therefore not applicable to NRL.
