Dear Sir,

This has reference to your RTI application dated 23/04/2015 forwarded by Ministry of Petroleum & Natural Gas. From your application it is seen that you have raised questions on too many subjects and the question are also not specific. RTI information can be provided only when specific information is asked for. Further, too many questions in one application make it difficult for the PIO to collect the information from different sources.

In view of the above, you are requested to submit RTI application with specific question with limited subject matter (not more than 2/3 questions in one application).

Thanking you,

Yours faithfully,
