Sub: Prayer for CSR fund for Dergaon CHC

Sir,

With due respect, I have the honour to inform you that Dergaon CHC is dedicated to the Health and Well being of large population of greater area of three districts namely Golaghat, Jorhat and Majuli. We have always tried our best to provide better facilities to patients in our hospital and have been quite successful in our vision.

Sir, Dergaon CHC was built in the year four decades back and it is functioning since 1987. While there has been lots of improvement in terms of modern medicine and equipments, little care has been given to its infrastructure. With the increasing number of patients every year, the requirement of hospital space is also increasing. We have been facing lots of difficulties in rendering services to the larger population of area in terms of amenities and infrastructure.

Sir, it is my humble request to you that Dergaon CHC needs good Reconstructing with a new installation of Emergency Cum Maternity and Child care Unit alongwith other amenities and infrastructure to provide better services to the people of greater area and this is not possible without your support.

You have been a regular donor for which we always remain grateful and we trust upon you this time either and hope that we will not be disappointed. We request you to do the needful in these regards.

Thanking you in anticipation.

Yours faithfully

NUMALIGARH REFINERY LIMITED

(HR Department -CSR Group)

NOTE TO CSR AND SUSTAINABILITY COMMITTEE OF THE BOARD

Sub: Proposal for renovation of Dergaon CHC (Community Health Centre) and construction of new building for Maternity and Child Care unit under Health & Nutrition head for CSR project

=====

1. Back Ground:

NRL, with the vision to focus on social and environmental aspects of the region and inclusive development of the community, is continuously working for the upliftment of the region through its community development schemes since its inception. Health & Nutrition being the thematic area of CSR activities for 2022-23 as per the notification issued by DPE, NRL has extensively focused on improving Community Healthcare in the region.

Dergaon CHC (Community Health Centre) was built four decades back and has been functioning since 1987. This CHC is under Missamora Block PHC. From geographical point of view, Dergaon CHC is a very important health center in the area only next to Golaghat Civil and Bokakhat Subdivisional hospital in size and capacity and operating 24 X 7. As such the health centre is serving a large population of 1.5 Lakhs from Dergaon sub-division with total area of 343 Sq KM and also people from nearby districts namely Golaghat, Jorhat and Majuli.

There are two Sub centers under Dergaon CHC. Apart from OPD services and emergency services, it has also 24X7 delivery service, Laboratory services, Immunization service, family planning services, Neonatal care unit and Designated Microscopic Center for Tuberculosis.

The area is large and the main inhabitants are a Mixed Community. Even with the increasing number of patients every year, the CHC has been providing uninterrupted service to all.

While there have been considerable improvements in the hospital in terms of medicine and modern equipment over the years, but its infrastructure has not been upgraded proportionately. With increasing number of patients every year, the requirement of hospital space as well as other infrastructure is sharply increasing. The OPD building and Ward buildings are all old and have decays and deteriorations over the years and need repairs at number of places like the floors, roofs, doors and windows.

The existing Maternity & Child Care facility at Dergaon CHC has become very much

inadequate. At present on an average more than 60 cases per month come to the hospital whereas there is only a single labour table. The condition of neo natal and post natal wards are also very pathetic. Many cases are being referred to other hospitals due to lack of space and facilities. A new Maternity & Child Care facility matching today's applicable guidelines is urgently required at Dergaon CHC.

In spite of these challenges the CHC is providing quality health care services to the people of the area.

2. The Proposal:

The district health authority has requested NRL to consider renovating the health institute for the benefit of the people of the area and has also requested to construct a new Maternity and Child Care unit with enhanced capacity in line with the existing govt. guidelines.

After due deliberation within the departmental, it is proposed to renovate the Dergaon CHC and also construct a new Maternity and Child Care unit as requested by District health authority. This will directly benefit the local population of Degaon sub-division along with people from nearby areas upto Jorhat & Majuli. This will add to NRL's visibility in the region.

The health institute was inspected by NRL CSR team and the following construction / repair works required for the hospital complex have been listed out:

Renovation of the existing hospital:

1. Existing OPD and Pharmacy building:

1. Replacement of Roof Sheet at different Buildings
2. Repairing of existing roof truss and door windows
3. Floor tiles work
4. Wall tiles work upto a height of 1.2 m from the floor level.
5. All painting works
6. Repairing of electrical items as per requirement.
7. Plinth protection work.

1. Gate, boundary wall and area development:
2. Installation of a NEW Gate at the entrance
3. Painting of the boundary wall
4. Providing paver block at the entrance and other places
5. Area development

Construction of New Building:

1. new Maternity and Child Care unit at ground floor.

An in-house cost estimate has been prepared based on NRL rates which is summarised as below:

Renovation of Existing Hospital	Cost in lakhs
Total cost of civil works at OPD building	15.08
Total cost of civil works at Indoor ward building	35.79
Total cost of electrical works at both buildings	27.46
Construction of NEW GATE/ painting works of boundary wall and area development	27.90
Sub-Total (A)=	106.23

Construction of New Building (Maternity and Child Care unit at ground floor)	
Total civil works	127.99
Total electrification	34.58
Sub-Total (B)=	162.57
Total amount (A)+ (B)	268.80
GST @18%	48.38
Consultancy Fee @2% on gross estimate for estimation, design & drawing preparation and site supervision	5.376
Total amount including consultancy & supervision & GST	322.56

The survey report, the proposed design and the cost estimate are attached as Annexures.

The total estimated budget is Rs. 322.56 Lakhs (INR Three crore twenty-two lakhs fifty seven thousand only) for the renovation and construction of the health centre for the FY 2022-23 and also for FY-2023-24. It is estimated that 40% of the total cost will be incurred during the FY 2022-23 and the remaining in FY 2023-24. The budget will be allocated to the renovation and construction of the hospital building.

The job shall be executed through A.P.W.D (Assam Public Works Department) as deposit work under the supervision of Deputy Commissioner, Golaghat. The project shall qualify under MCA rules for CSR activities as implemented by company itself since the assistance will be provided to public authority. An MoU will be signed before execution of the job incorporating clauses on disbursement of fund, monitoring mechanism from NRL side and roles and responsibilities of both NRL and APWD.

The project will benefit the communities that are dependent upon the health institute to avail primary health services like first aid treatment, emergency care, immunisation services and delivery services etc. This project is qualified under CSR activities as per scheduled VII of the Companies Act, 2013.

3. Approval Sought for:

Approval is sought for renovation of Dergaon CHC (Community Health Centre) and Construction of new building for Maternity and Child Care unit at an estimated expenditure of Rs. 322.56 Lakhs (INR Three crore twenty two lakhs fifty six thousand only) 40% of which will be incurred during the FY 2022-23 and the remaining in FY 2023-24. This qualifies as a CSR expenditure under para i) of Sch VII of Companies Act, 2013 which reads as "Eradicating hunger, poverty and malnutrition, promoting health care including preventive health care and sanitation including contribution to the Swachh Bharat Kosh set-up by the Central Government for the promotion of sanitation and making available safe drinking water".

Put up for kind consideration and necessary approval.

Sub: Information under RTI Act, 2005.

Dear Sir,

This has reference to your application no- nil dated 12-08-2024 seeking information under RTI Act 2005. Please find below the reply to the queries raised by you:

Q.N.i Please furnish the detail information as to the exact amount of compensation given to Mr. Sanjib Gupta in exchange for acquisition of land being Dag No 253 and Patta No 66 situated in Kandhuli Pathar Revenue Village and Lot No 7, Bihpuria Revenue Circle, Dist Lakhimpur, Assam from NRL.
Reply: This is to confirm that NRL has not paid any land compensation for ROU acquisition as per P&MP Act 1962 for Dag No 253 and Patta No 66, as ROU is jointly shared with IGGL. However, a part of land of Dag No 253 and Patta No 66 has been permanently purchased by NRL for construction of SV Station after obtaining due Sale Permission from Office of DC Lakhimpur. (Copy of Sale Permission dated 01.08.2023 attached).

Q.N.ii Please furnish the detail information as to the copies of No Objection Certificate submitted by Mr. Sanjib Gupta at the time of claiming for compensation against the acquisition of land being Dag No 253 and Patta No 66 situated in Kandhuli Pathar Revenue Village and Lot No-7, Bihpuria Revenue Circle, Dist. Lakhimpur, Assam from NRL.
Reply: Copy of Sale permission issued by Office of DC Lakhimpur dated 01.08.2023 attached.

In case you are not satisfied with the above reply, you may make an appeal to the First Appellate Authority within 30 days from the date of receipt of this letter as per provision at Section 19 of the RTI Act, 2005, whose details are as under.

G.K. Borah, Director (Technical)
First Appellate Authority,
Numaligarh Refinery Limited
