Q-2253

NRL/RTI/CPIO/Q- 2253 (Bhaskar Jyoti Bora)

Q.N.1 Under the CSR fund for the financial years 2023-24 and 2024-25 for which Projects/Activities was the fund allocated? Kindly submit the copies of the Sanction Order / Work Order, along with the Project Proposal and Expenditure Budget Estimate for each of those Projects/Activities.

Reply: The project/activity-wise fund allocation under CSR for FYs 2023-24 and 2024-25 is enclosed as Annexure – I.

Since NRL receives a large number of CSR proposals every year, it is not feasible to furnish copies of all documents for every project. You may kindly specify any particular project/activity for which you require detailed documents, or you may visit our office during working hours to inspect the complete records.

However, sample copies of Sanction Orders/Work Orders relating to CSR projects executed during the above periods are attached for reference.

Q.N.2 For the Projects/Activities funded through CSR during the financial years 2023-24 and 2024-25: Please specify the completion period (in number of days) for each Project/Activity for the respective financial year. Also indicate the percentage of completion of each Project/Activity. For the works that have been 100% completed, kindly submit the 100% Utilization Certificate (UC) / Progress Report (PR). Please provide all details separately for each financial year.

Reply: As per ministry guidelines NRL has been implementing CSR projects with strategic timelines, decided during the approval stage of each project. This is to ensure that projects are completed successfully and due to which different projects have time period of implementation and completion.

In manner of execution, we have various projects - some are continuing or multi-year projects, while others are one-time projects. It may also be noted that most of the projects which are one time nature are completed within the respective financial year or as per the submitted proposal.

The Utilization Certificate (UC) / Progress Report (PR) of a few CSR projects are enclosed as Annexure – II

Q.N.3 For the Projects/Activities that received CSR fund allocations in the financial years 2023-24 and 2024-25: What percentage of the allocated funds has been released to the Work Implementing Agency for each project? What percentage of funds is yet to be released? Please submit the information with supporting data, along with the name and complete address of the Work Implementing Agency for each project.

Reply: The project wise sanction and released amount including implementing agency details are as per Annexure – I.

As the information relating to the supporting documents is voluminous. You are requested to specify any project(s) for which you require detailed supporting documents. Alternatively, you may visit our office to review the full set of records.

Q.N.4 For the Projects/Activities implemented under the CSR fund during the financial years 2023-24 and 2024-25, kindly provide the exact location (district and place) where each Project/Activity has been carried out

Reply: NRL undertakes CSR activities / projects with a focus on Golaghat district. CSR projects cover stakeholders from different areas, therefore it may be considered that NRL CSR activities are focused not only one area but maximizes coverage of beneficiaries belonging to different areas / villages. The district and state for each project are already indicated in Annexure – I. However, providing detailed place-wise (village/area) information for all projects would involve a large volume of records. You may kindly specify particular projects for which you require detailed location information, or you may visit the PIO office during working hours to inspect the complete records.

Q- 2256

Dear Madam,

This has reference to your application no- NRLTD/R/E/25/00022 dated 24-07-2025 seeking information under RTI Act 2005. Please find below the reply to the queries raised by you:

Chapter I: Project Cost Determination & Financial Transparency

Q.N.1 Prior to the approval of the budget of Rs. 28,026 Crore, please provide a Full Details with Breakup of the initial estimated project cost for the NRL refinery expansion project as conceived at its very inception. Include the detailed methodology adopted for this initial estimation, all underlying calculations, and certified copies of the preliminary feasibility reports or internal documents where this initial budget was proposed.

Reply: The project cost break-up against major cost elements in the original approved cost and revised cost estimate (RCE-I) is as tabulated below:

Project Cost Elements	Original	RCE - I
Refinery	10,016	14,947
PNCPL + COIT	8,284	9,058
Core Cost	18,301	24,004
Contingency	1,830	1,232
Interest During Construction (IDC)	1,534	1,964
Margin Money (MM)	929	826
Total Project Cost	22,594	28,026

Executive summary of DFR can be downloaded by clicking the link below

<https://environmentclearance.nic.in/DownloadPfdFile.aspx?FileName=L7KxY1of8ltdMrchTSNVC764ZynM4s8T/ik+dumUn5G4wsthdVwb+DTX7HLrP5HyZP9WnqXvd1h0Slv3/v0VzDeSc/QaD6ThxBa7kW11aJw=&FilePath=h=93ZZBm8LWEXfg+HAIQix2fE2t8z/pgnoBhDIYdZCxzWF1OLE6RXe5MiAhSH8vdQ1>

Q.N.2 The approved budget for the project is Rs. 28,026 Crore. The revised cost estimate for the project is Rs. 33,901 Crore and is currently under approval and review at MoP&NG. Kindly state the Total Sanctioned Budget for the project, confirming the final approved amount, the Competent Authority by which it was sanctioned, and the specific date of approval. Kindly provide a certified copy of the corresponding approval order/resolution.

Reply: The original project cost of Rs. 22,594 Crores for the refinery expansion including associated pipelines was approved by Cabinet Committee of Economic Affairs (CCEA) of Government of India on 16.01.2019.

Subsequently Revised cost estimate (RCE I) of Rs. 28,026 Crore was approved by Ministry of Petroleum & Natural Gas on 07.10.2021.

Further, the revised estimate (RCE II) of Rs. 33,901 Crore has been submitted to Ministry of Petroleum & Natural Gas. The proposal is under active consideration of the ministry.

Q.N.3 Provide a Full Details with Breakup of the detailed reasons for this increase from the initial approved budget of Rs. 28,026 Crore to the revised cost estimate of Rs. 33,901 Crore, including a clear justification for each contributing factor to this cost escalation.

Reply: Major reasons for cost enhancement from Rs. 28,026 Crore to the revised cost estimate of Rs. 33,901 Crore are:

- Increase in prices of various commodities being used in project construction: Rs. 3,809 Crore
- Revision in specifications post detailed engineering: Rs. 657 Crore
- Depreciation in INR over USD : Rs. 117 Crore
- Revision in soft cost viz interest during construction

Chapter II: Deconstruction of Project Cost Calculation & Tender Estimates

Q.N.1 How was the Comprehensive Project Cost Calculation for the NRL refinery expansion project (6 MMTPA refinery, 1640 Km crude oil pipeline from Paradip Port to Numaligarh, and crude oil terminals) performed? Please provide the full details and item-wise breakup of this calculation, including the entire detailed methodology employed, the foundational data used, technical survey reports, financial modeling documents, and the names, designations, and roles of all officers/expert agencies involved in the calculation process.

Reply: The original project cost was determined based on a Detailed Feasibility Report (DFR). Cost estimation was conducted using standard industry norms applicable to refinery units, pipelines, and crude oil terminals. In addition, financial modelling was undertaken, incorporating elements such as capital expenditure, interest during construction (IDC), contingency provisions, and the debt-equity funding structure. The project financing arrangement includes Viability Gap Funding (VGF) of ₹1,020 crore, while the remaining project cost is being financed through a debt-to-equity ratio of 70:30.

Major item-wise break up of project cost is as below:

Project Cost Elements	Original	RCE - I
Refinery	10,016	14,947
PNCPL + COIT	8,284	9,058
Core Cost	18,301	24,004
Contingency	1,830	1,232
Interest During Construction (IDC)	1,534	1,964
Margin Money (MM)	929	826
Total Project Cost	22,594	28,026

The original Detailed Feasibility Report was prepared by M/s Engineer India Limited. Subsequently, RCE-I was prepared by M/s Deloitte.

Q.N.2 For each Major Tender issued for the expansion project, how was the Tender Estimate Cost determined? Kindly provide the full details and breakup of the estimated cost calculation for each major tender, including the criteria used for calculation, determination of rates, and the names, designations, and approval processes of the officers/external consultants involved in preparing the estimates.

Reply: The tender estimate costs for major tenders under the expansion project were prepared as part of internal cost estimation and benchmarking exercises. These estimates are treated as confidential internal documents, as they are essential to ensure fairness, competitiveness, and integrity in the tendering process. Disclosure of detailed cost estimates, rate calculations, and the identities of personnel or consultants involved in preparing such estimates could compromise the competitive bidding process, affect commercial confidentiality, and potentially lead to conflicts of interest.

Accordingly, as per the provisions under Section 8(1)(d) of the Right to Information Act, 2005, information including commercial confidence, trade secrets, or intellectual property, the disclosure of which would harm the competitive position of a third party, is exempted from disclosure. Hence, the detailed breakup of cost estimates, rate determination methodologies, and the names/designations of officers or external consultants involved in the preparation of tender estimates cannot be shared.

Q.N.3 In the tender estimates for the expansion project, what was the calculated expected profit margin for contractors (as a percentage or amount)? Please provide the detailed justification, the methodology used for this profit calculation, and the names and designations of the officers who approved it.

Reply: All contracts for the expansion project are awarded on an L1 (lowest bid) basis, in compliance with the Central Vigilance Commission (CVC) guidelines and the applicable procurement procedures of the company. The final price is thus determined through a transparent competitive bidding process, and not on pre-determined profit margins.

Further, the methodology used for cost estimation and related internal calculations form part of confidential internal documents, the disclosure of which could affect the integrity and competitiveness of the tendering process. As such, this information is exempt from disclosure under Section 8(1)(d) of the Right to Information Act, 2005, which protects information of commercial confidence, the disclosure of which would harm the competitive position of third parties. Therefore, details including profit margin assumptions, related methodologies, and the names and designations of officers involved in their approval cannot be provided.

Chapter III: Project Completion Timeline & Accountability for Delays

Q.N.1 Please state the original time period that was set for the completion of the NRL refinery expansion project at its very inception, prior to any revisions. Provide the methodology adopted for determining this initial period and certified copies of related internal documents.

Reply: The original completion period for the Numaligarh Refinery Expansion Project was 48 months from the date of obtaining all statutory approvals. Based on the Environmental Clearance received in July 2020, the project was initially scheduled for completion by July 2024.

However, due to several unforeseen factors, the project timeline had to be revised. These factors include disruptions caused by the COVID-19 pandemic and nationwide lockdowns, global supply chain impacts resulting from the Russia-Ukraine conflict leading to significant fluctuations in commodity prices causing delays in tender submissions and procurement processes, as well as litigation during the bidding stage of the Rx-Rg package of the PFCC unit.

Considering these circumstances, the project completion schedule was extended by 17 months, and the revised completion date is now December 2025.

Internal documents and detailed methodology notes used in formulating the original timeline form part of internal project planning records and proprietary documents. These are considered confidential and fall under the exemption provided in Section 8(1)(d) of the Right to Information Act, 2005, which restricts disclosure of information that includes commercial confidence and could impact the competitive position or strategic interests of the organization. Therefore, copies of such internal documents cannot be provided.

Q.N.2 The NRL refinery expansion project was scheduled to be completed by 2025. The NRL Board has approved a revised completion schedule with a Commercial Operation Date (COD) for the 6 MMTPA Refinery in December 2025 and for the Paradip-Numaligarh crude oil pipeline in October 2025.

(a) Please confirm if the project (Refinery and Pipeline) is on track to achieve these revised CODs.

Reply: The Refinery expansion project including the Crude line pipeline is targeted to be commissioned in a phased manner from Dec, 2025.

(b) If any component of the project (Refinery or Pipeline) is experiencing further delays beyond these revised dates, please provide a Full Details with Breakup of the detailed reasons for the delay, including unforeseen obstacles, administrative delays, or other contributing factors.

Reply: At present, we are targeting as per the approved time schedule i.e. Dec, 2025.

(c) Provide the names, designations, and specific responsibilities of all NRL Officers directly responsible for any delays incurred in the project, particularly if they extend beyond the revised December 2025 (Refinery) and October 2025 (Pipeline) CODs.

Reply: The execution of the Numaligarh Refinery Expansion Project involves complex and interdependent activities across multiple departments, contractors, consultants, and external agencies. The project management and implementation process include coordination among engineering, procurement, legal, land acquisition, and construction teams, among others.

Given the integrated nature of the project execution, responsibilities are shared collectively across departments and multiple levels of officials over different phases of the project. As such, no individual officer can be specifically or solely held responsible for any delays incurred, including those that may extend beyond the revised completion date.

Delays, where applicable, are attributed to a combination of external and operational factors beyond the control of any single officer.

Q.N.3 What specific disciplinary/penal action (e.g., imposition of penalties, contract termination, suspension, departmental inquiry, or otherwise) has been taken against the concerned contractors and/or NRL Officers for any project delays? Kindly provide full details of each action taken, certified copies of the relevant official orders, and the names and designations of the Competent Authority who approved such actions.

Reply: Contractors involved in the Numaligarh Refinery Expansion Project are subject to penal provisions as per the terms and conditions outlined in their respective work orders and contracts. Such actions may include the imposition of financial penalties, short closure of contracts, or other measures, depending on the nature and extent of delay or non-performance.

However, the details of specific disciplinary or penal actions taken, including official orders, names/designations of the Competent Authorities, and related documentation, are considered confidential and are exempt from disclosure under Section 8(1)(j) and Section 8(1)(d) of the Right to Information Act, 2005. These sections protect information relating to personal matters and commercial confidence, the disclosure of which could harm the competitive position of third parties or invade the privacy of individuals.

With respect to internal matters concerning NRL officers, no individual has been held solely accountable for delays, as the execution of the project involves multiple departments, officials, and external stakeholders, as previously stated.

Chapter IV: Project Cost Escalation & Financial Accountability

Q.N.1 The approved budget for the project was Rs. 28,026 Crore, and the revised cost estimate is Rs. 33,901 Crore. Please provide a detailed statement of the total actual amount expended to date on the project, and confirm if the Actual Execution Cost has remained within the current revised estimated project cost of Rs. 33,901 Crore, or if there has been any further cost overrun.

Reply: The total expenditure as on 31.07.2025 is Rs.26,204 Crore

Q.N.2 If there has been any cost overrun beyond the revised estimate of Rs. 33,901 Crore, please provide a Full Details with Breakup of each reason for this excess expenditure. This should include a clear and item-wise description of all factors responsible for the cost increase (e.g., increase in raw material prices, design changes, scope expansion, unforeseen expenses).

Reply: Not applicable

Q.N.3 Provide the names, designations, and specific responsibilities of all NRL Officers and/or contractors directly responsible for any increased project cost (cost overrun), particularly beyond the currently estimated Rs. 33,901 Crore.

Reply: Please refer to the response against Chapter III 2 (c)

Q.N.4 What specific disciplinary/recovery action has been taken against the concerned contractors and/or NRL Officers for any increased project cost? Kindly provide full details of each action taken, certified copies of the relevant official orders, and the names and designations of the Competent Authority who approved such actions.

Reply: Please refer to the response against Chapter III (3)

Chapter V: Scrutiny of Administrative Expenses - Party Arrangements & Meal Costs (Last 10 Years Details)

Q.N.1 Has Numaligarh Refinery Limited (NRL) corporate funds been utilized for 'Party Arrangements' for NRL Officers (including senior management)? If Yes, please provide full details with breakup of each such party arrangement for the last ten (10) financial years (i.e., from April 1, 2015, to the current date), including:

- The exact date, venue, and specific purpose of each party.
- The total expenditure incurred on each party, with bill-wise and item-wise breakup.
- A detailed list of 'items served' (e.g., food, beverages, other entertainment) at each party.
- The names, designations, and specific approval dates of the officers who authorized/approved these expenditures.

Reply: As per records available, no fund is utilised in NRL as "Party Arrangements" for NRL officers including senior Management.

Q.N.2 Have NRL funds been utilized for the 'Breakfast, Lunch, and Dinner' expenses of NRL Officers, distinct from their official travel allowances or daily per diems? If Yes, please provide full details with breakup of each such expenditure for the last ten (10) financial years (i.e., from April 1, 2015, to the current date), including:

- The date, type (Breakfast/Lunch/Dinner), and location of each meal.
- The total expenditure incurred on each meal, with bill-wise and item-wise breakup, including a detailed list of 'items consumed'.

- The names and designations of the officers who authorized/approved these expenditures.

Reply: As per records available, no fund is utilised in NRL for 'Breakfast, Lunch, and Dinner' expenses of NRL Officers

Q.N.3 Do NRL's internal guidelines/policies explicitly provide for such party arrangements and meal expenses for officers?

- If Yes, kindly provide a certified copy of the relevant guidelines/policy documents.
- According to NRL guidelines, what are the monetary limits (per person or per event) stipulated for such parties and meal expenses? Kindly provide full details of these limits.
- Do any of the expenditures mentioned in points V-1 and V-2 above clearly violate NRL's established guidelines, monetary limits, or prescribed procedures? If Yes, please provide detailed particulars of each such case, the nature of the violation, and the details of each action taken against the officers responsible for them.

Reply: Not applicable as per Answer to Q 1 & 2 above.

Chapter VI: Corporate Social Responsibility, Local Development Initiatives & Donations.

Q.N.1 What local development initiatives or projects have been undertaken by NRL from April 1, 2015, up to the current date?

- Provide full details with breakup for each initiative, including its specific purpose, the target community/beneficiaries, and the rationale behind choosing that initiative.

Reply: As a standalone refinery, NRL's Corporate Social Responsibility (CSR) and sustainability activities are primarily concentrated in the refinery's vicinity and are undertaken under five broad thematic areas:

- Livelihood Generation
- Promotion of Education and Skill Development
- Infrastructure Development
- Promotion of Health Care
- Promotion of Arts, Sports, Literature, and Culture

In addition, projects are designed to align with the Department of Public Enterprises' (DPE) thematic priorities (e.g., health and nutrition) and Government priorities for aspirational districts as identified by NITI Aayog. All initiatives are implemented strictly in compliance with the provisions of the Companies Act, 2013, guidelines issued by the Ministry of Corporate Affairs and DPE, and NRL's internal CSR Policy.

Information regarding NRL's CSR projects, including purpose, stakeholders, rationale, and implementation approach, is publicly available on our website at <https://www.nrl.co.in/CSR>.

Projects are identified through baseline surveys, stakeholder consultations (including District Administration, Gram Panchayats, government departments, public representatives, and community members), and prioritised strictly on merit and community needs.

- Provide full details with breakup of how the budget/estimate for each local development initiative was prepared, including the methodology, underlying calculations, and certified copies of internal approval documents.

Reply: Budgets for each CSR projects are either -

- a) Received from the requesting organization/departments/authority
- b) Prepared through detailed assessment of scope, quantity requirements, and cost estimates, followed by review and approval in line with NRL's CSR policy and DPE guidelines. The methodology includes:
 - Need assessment/baseline survey findings
 - Technical and financial vetting of proposals
 - Costing based on prevailing market rates, past project experience, and inputs from qualified agencies
 - Scrutiny and approval by the competent authorities/committees within NRL as per delegation of authority.

(c) Provide full payment details with breakup for each local development initiative, including transaction dates, amounts, and recipient entities/individuals.

Reply: Payments for each project are released in accordance with the terms approved at the time of sanction. All related records—including transaction dates, amounts, and details of recipients—are maintained in the CSR Cell at NRL.

(d) Identify the names, designations, and specific instructions/approvals of the individuals or committees who authorized/instructed these local development initiatives.

Reply: All CSR initiatives are authorised and monitored by designated officials and committees constituted within NRL, as per internal CSR governance mechanisms in line with applicable delegation of authority.

(e) Do NRL's company policies or Corporate Social Responsibility (CSR) guidelines explicitly provide for such local development activities? If Yes, please provide certified copies of the relevant policy/guideline documents (with specific section breakup).

Reply: Policy provision for local development activities:

Yes, NRL's CSR Policy and guidelines explicitly provide for local development activities within the five thematic focus areas mentioned above. Copies of the CSR Policy and relevant guidelines (with specific section breakup) are available in NRL website.

* Note:

Considering the high volume of data and documents covering initiatives since 2015, it is not feasible to submit hard copies of all information requested. You may kindly visit our office on any working day to review with prior intimation.

Q.N.6 NRL ৰ পেট্ৰল পাম্প বিলাক বন্ধ ঘোষণা কৰাৰ কাৰণ কি?

Reply: Unlike other Oil Marketing Companies (OMCs), Numaligarh Refinery Limited (NRL) does not fall under the Government of India's compensation mechanism for under-recoveries incurred in retail fuel marketing. In light of the pricing disparity and the financial strain it imposes, NRL had opted to exit its Retail Outlet operations. Accordingly, the company handed over its Retail Outlets to Bharat Petroleum Corporation Limited (BPCL).

Q.N.7 পেট্ৰল পাম্পসমূহ খুলিবলৈ অনুজ্ঞাপত্ৰসমূহ কাৰ কাৰ নামত অনুমোদন দিয়া হৈছিল সকলোৰে নাম ঠিকনা ফোন নম্বৰ সহ অনুজ্ঞাপত্ৰ নকল কপি প্ৰদান কৰিব।

Reply Q.N.7 to 9:

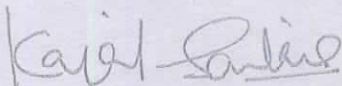

As stated in reply against query 6 above NRL is no longer in the business of Retail Marketing and handed over all its Retail Outlets to Bharat Petroleum Corporation Limited (BPCL) during 2012. Accordingly, all the relevant files along with LOIs and other documents are handed over to BPCL. Hence, information may be sought from BPCL.

In case, you are not satisfied with the above reply, you may make an appeal to the First Appellate Authority within 30 days from the date of receipt of this letter as per provision at Section 19 of the RTI Act, 2005, whose details are as under.

Dear Sir,

This has reference to your application no- Nil dated 31-01-2025 seeking information under RTI Act 2005. Please find below the reply to the queries raised by you:

Q.N.1 We require total fund released in the year 2022, 2023 & 2024 respectively for unemployed youth through District Commissioner, Golaghat.

Reply: NRL provided financial assistance for the project namely 'Promoting local entrepreneur under Golaghat LAC for setting up various livelihood projects to explore more possibilities for better income generation'. The project was executed through the Office of the District Commissioner, Golaghat.

The total approved budget for the project was Rs. 1,50,00,000.00, calculated at Rs. 75,000/- per beneficiary for a total of 200 beneficiaries, as per the proposal submitted by the Deputy Commissioner, Golaghat. The Total funds disbursed during the years 2022, 2023, and 2024 in the following phases_

1st Phase: An amount of Rs. 29.25 Lakhs was released directly from NRL to the beneficiaries through DBT mode.

2nd Phase: An amount of Rs. 112.50 Lakhs were released to the Office of the Deputy Commissioner, Golaghat, for further disbursement, execution, and monitoring of the project.

Q.N.2 We require fund released along with forwarding letter/letters any (all xerox certify copies.)

Reply: In the 1st phase, the payment was released by NRL directly to the accounts of the beneficiary through NEFT mode. The list of the beneficiaries with payment status is as Annexure-I.

In the 2nd phase, the payment was released to the account as recommended by the Office of the Deputy Commissioner, Golaghat. The forwarding letter is as Annexure - II.

Dear Sir,

This has reference to your application no- Nil dated 05-08-2025 seeking information under RTI Act 2005. Please find below the reply to the queries raised by you:

Q.N.1 Name of the Register Firm's/Contractor's/Vendor's under Numaligarh Refinery Limited.

Reply: NRL does not have vendor registration system. NRL adopted open tendering as a procurement policy.

Q.N.2 Please provide the details about completed civil works, Tender Amount and Fund released against completed civil works under NRL from April 2016 to 31-July-2025.

Reply: Please visit our corporate website www.nrl.co.in under the section Tenders- General Information – Major Contracts POs awarded, the information sought by you is available in that section. NRL uploads details of contracts awarded every month in that section.
https://www.nrl.co.in/Internal_TenderNew.aspx?MenuId=55&PageID=1

Q.N.3 Total Forest Royalty deducted in running bill and Final bill with MB page against Civil works from April 2016 to 31st July 2025.

Reply: The responsibility of depositing Forest Royalty on minerals procured from forest areas for civil jobs is lies with the contractors, who provide the relevant challans along with their bills. However, in case the challan is not provided by contractors, respective Engineer In-charge (EIC) recommends the deduction of Forest Royalty from the bills of the contractor. Accordingly Forest Royalty of Rs.9.39 crores was deducted from April 2016 to 31st July 2025 by NRL from bills of the Contractors and then deposited by NRL to the Government exchequer over a period of time in phases. This contribution to exchequer is over and above amount deposited directly by Contractors to the Government exchequer.
