Focus of NRL's CSR and Sustainability activities is given to the neighbouring areas within 10 km radius of the refinery at Numaligarh and the Company's Marketing Terminal at Siliguri.

Besides, NRL endeavours to cover the district of Golaghat and is also extending due support to other parts of the State.

The Company's CSR projects/ initiatives are taken up on a sustainable model so that the end beneficiaries are able to reap the benefits in the long run and are able to enrich their lives.

Every project is carefully planned, zealously executed and sensitively nurtured with a holistic approach. NRL continues to put its best foot forward through dedicated and whole-hearted efforts in this direction.
