Ref: NRL/NG/ADM/4.2

Date: January 19, 2022

**NOTE TO: ALL EMPLOYEES**

**Subject: Prevention and Containment of COVID-19**

The Health & Family Welfare Department, Government of Assam has issued the Modified Guidelines for Management of Covid-19 patients in Assam vide HLA.274/2020/187 dated 18<sup>th</sup> January, 2022.

In line with the above guidelines and in continuation to the Circular Ref: NRL/NG/ADM/4.2 dtd. 07.01.2022, the following protocol in respect of i) Discharge of Patients in Home Isolation and ii) Travel may please be noted for immediate compliance:

**1. Discharge of Covid Patients in Home Isolation**

Asymptomatic patients in Home Isolation shall be considered as discharged on the 7<sup>th</sup> day and need not get tested at the time of discharge.

**2. Travel Guidelines**

The criteria of compulsory RTPCR tests for employees and their dependents travelling outside Golaghat & Jorhat districts stands temporarily withdrawn and to be carried out only on medical advice.

However, in view of the prevailing circumstances, outstation tours/personal travel by employees and their dependents are to be avoided to the extent possible.
