

CERTIFICATE OF REACH REGISTRATION

This is to certify that **Global Product Compliance (Europe) AB, Sweden** as the OR appointed by non-EU manufacturer **Numaligarh Refinery Ltd.** has undertaken the registration of the following substances in compliance with the REACH regulation (EC) N°1907/2006:

Substance Name	CAS No. and EC No.	Registration No.	Tonnage band (Tons per annum)
Paraffin waxes and Hydrocarbon waxes	8002-74-2; 232-315-6	01-2119488076-30-0182	100 To 1000

Note: The registration Nos. herein provided only serve as evidence of completion of the mentioned substance by Global Product Compliance (Europe) AB in the entity of an OR, without implying that the substances imported by an EU importer has been fully covered by the registered tonnage.

Importer therefore must fulfill an **Reach Registration Tonnage Coverage Application**, and after review and verification by concerned parties on behalf of **Numaligarh Refinery Ltd.** or its relevant branches and subsidiaries, Global Product Compliance (Europe) AB, shall issue the importer a **Reach Registration Tonnage Coverage certificate**, thereby certifying that the imported quantity has been covered under registered tonnage, and the importer added to the Registered Importer Directory, who pursuant to REACH article 8.3, shall then be regarded as a downstream user and exempt from the obligation of further REACH registration.
