- NRL has a Refinery at Numaligarh in the District of Golaghat in Assam with a refining capacity of 3 MMTPA of crude oil and two Marketing Terminals, one each in Numaligarh and Siliguri.

- **Vision Mission and Objective**

Corporate Vision

To be a vibrant, growth oriented energy company of national standing and global reputation having core competencies in Refining and Marketing of petroleum products committed to attain sustained excellence in performance, safety standards, customer care and environment management and to provide a fillip to the development of the region.

Corporate Mission

- Develop core competencies in Refining and Marketing of petroleum products with a focus on achieving international standards on safety, quality and cost.
- Maximize wealth creation for meeting expectations of stakeholders.
- Create a pool of knowledgeable and inspired employees and ensure their professional and personal growth.
- Contribute towards the development of the region.

Corporate Objective

To excel in its performance, NRL would strive to:

- Maximise refinery capacity utilisation and optimise product pattern by efficient refinery operation.
- Ensure smooth and timely evacuation of products, create a sound customer base and necessary marketing infrastructure.
- Achieve highest standards in product quality, safety, health and environment protection.
- Manage and operate the facilities in an efficient and cost effective manner for generation of adequate internal resources.
- Inculcate best business practices through the use of ERP and E-Commerce.
- Focus on development and growth of Human Resource through proper training and career planning.
- Plan for production and marketing of low volume, high value products.
- Remain at the technological forefront by continuous upgradation of in-house expertise and absorption of the latest technologies.
- Establish strong corporate identity and brand equity.
- Facilitate economic and industrial development of the region.

Refinery Configuration

Numaligarh Refinery has a capacity to process 3 MMTPA of indigenous Assam crude Oil with a configuration designed to maximize the production of middle distillates. The Distillate Yield of the refinery is amongst the highest in the country.

Refinery process units

- Crude Distillation Unit
- Vacuum Distillation Unit
- Delayed Coker unit
- Hydrocracker Unit
- Hydrogen Unit
- Coke Calcination Unit
- Sulphur Recovery Block
- Motor Spirit Plant
- Naphtha Splitter Unit
- Wax Plant

Refinery products

- LPG
- Naphtha
- Motor Spirit
- High Speed Diesel
- Aviation Turbine Fuel
- Superior Kerosene Oil
- Raw Petroleum Coke
- Calcined Petroleum Coke.
- Sulphur
- Wax
- Nitrogen
- Mineral Turpentine Oil (MTO)
- Special Boiling Point Spirit (SBPS)
- Liquid Sulphur

- NRL has its registered office at 122 A, G. S Road, Christianbasti, Guwahati-781 005, Phone : (0361) 2203140. Its other offices are in the following places :

3 & 4 Procedure followed in decision making process and norms set by it for discharge of functions

- NRL is a company managed by its Board of Directors, constituted under the erstwhile Companies Act, 1956. Presently, there are 8 directors on the Board of the company including 2 whole time Directors.
- The day-to-day activities of NRL is managed under the leadership of the Board of Directors assisted by the in-charge of the respective departments.
- Detailed execution of the job is being done under the leadership of the in-charge of the respective departments.
- The decision making processes are based on the **Delegation of Authorities** of the Company to various officers approved from time to time.

5. Rules, regulations, instruction manuals and guidelines

- Corporate policy decision of running the business of NRL is being taken, depending upon the changing scenario of the Business by the Board of Directors.

- The day to day activities to be carried out are being decided by the respective departments and are being executed in conformity with the Corporate decision taken by NRL in the meeting of its Board of Directors.
- Since NRL is formed under the Companies Act, there is no statutory Rule and / or regulation, as is applicable in case of Government or a statutory authority.
- Each Department of the company, while discharging its function, is guided by Departmental manuals, which are periodically reviewed and updated.
- The company issues administrative instructions from time to time for facilitating discharge of its functions in a systematic manner.

6. Statement of the documents that are kept by NRL

- Documents required to be kept under various statutes such as :
 - The Companies Act.
 - SEBI Act.
 - Any other statute
- Documents relating to the business carried out by NRL

7. Particulars of any arrangement that exists for consultation with the members of the public in relation to formulation of NRL's policies and implementation thereof

- NRL being a commercial organisation for refining and marketing of petroleum products, there is no formal committee of forum where representative of the public can attend to formulate policies for refining and marketing petroleum products and / or implement such policies.

8. Statement of the Boards, Councils, Committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advice, and as to whether meeting of those boards, councils, committees and other bodies are open to the public or the minutes of such meeting are accessible for public

- Board of Directors is constituted following the provisions of the Companies Act., 1956 consisting of Govt. of India nominees and nominees from promoters viz. M/s BPCL and Govt. of Assam.
- While decision taken or minutes of the meeting of the Board of Directors are not accessible by the public, important decisions regarding the company and / or its management are being communicated to the statutory authorities as also to the public as required under the law from time to time.
