

## WARNING NOTICE

Unscrupulous elements have created a fake website bearing url [www.nrlindia.in](http://www.nrlindia.in) of Numaligarh Refinery Limited by replicating NRL's authentic Corporate Website [www.nrl.co.in](http://www.nrl.co.in) to defraud money from unsuspecting candidates for fake vacancies advertised under Career section.

NRL has registered a complaint with the National Cyber Crime Reporting portal of Govt. of India and has lodged an FIR at the local Police station to address the issue and nab the fraudsters. Meanwhile, the Company requests everyone to be cautious and not pay any money on the fraudulent website against non-existent jobs.

The fake website features a link named 'Career' at the Main Menu of Home page. Clicking on the link takes one to the page where 3235 fake vacancies are advertised seeking details of the candidate and redirecting them to the Payment Application page for making Rs. 1,000 online transfer for their application.
